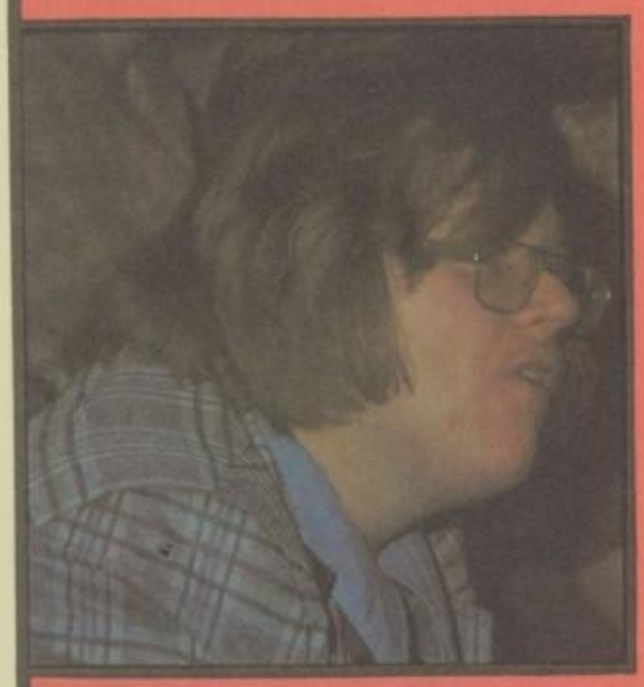
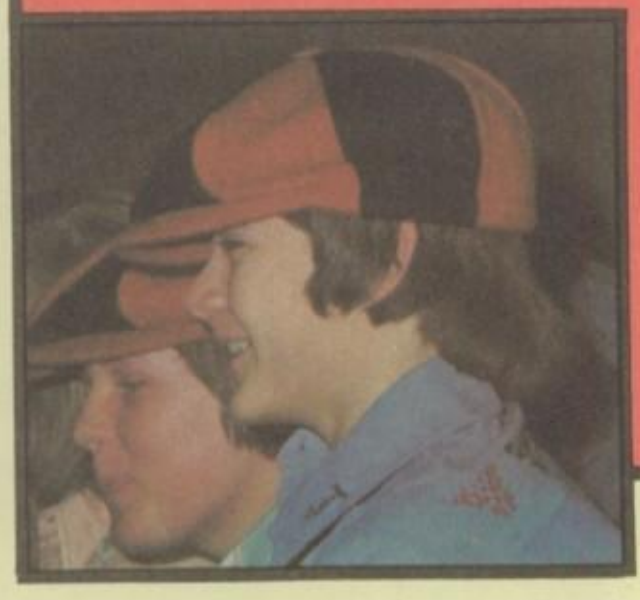
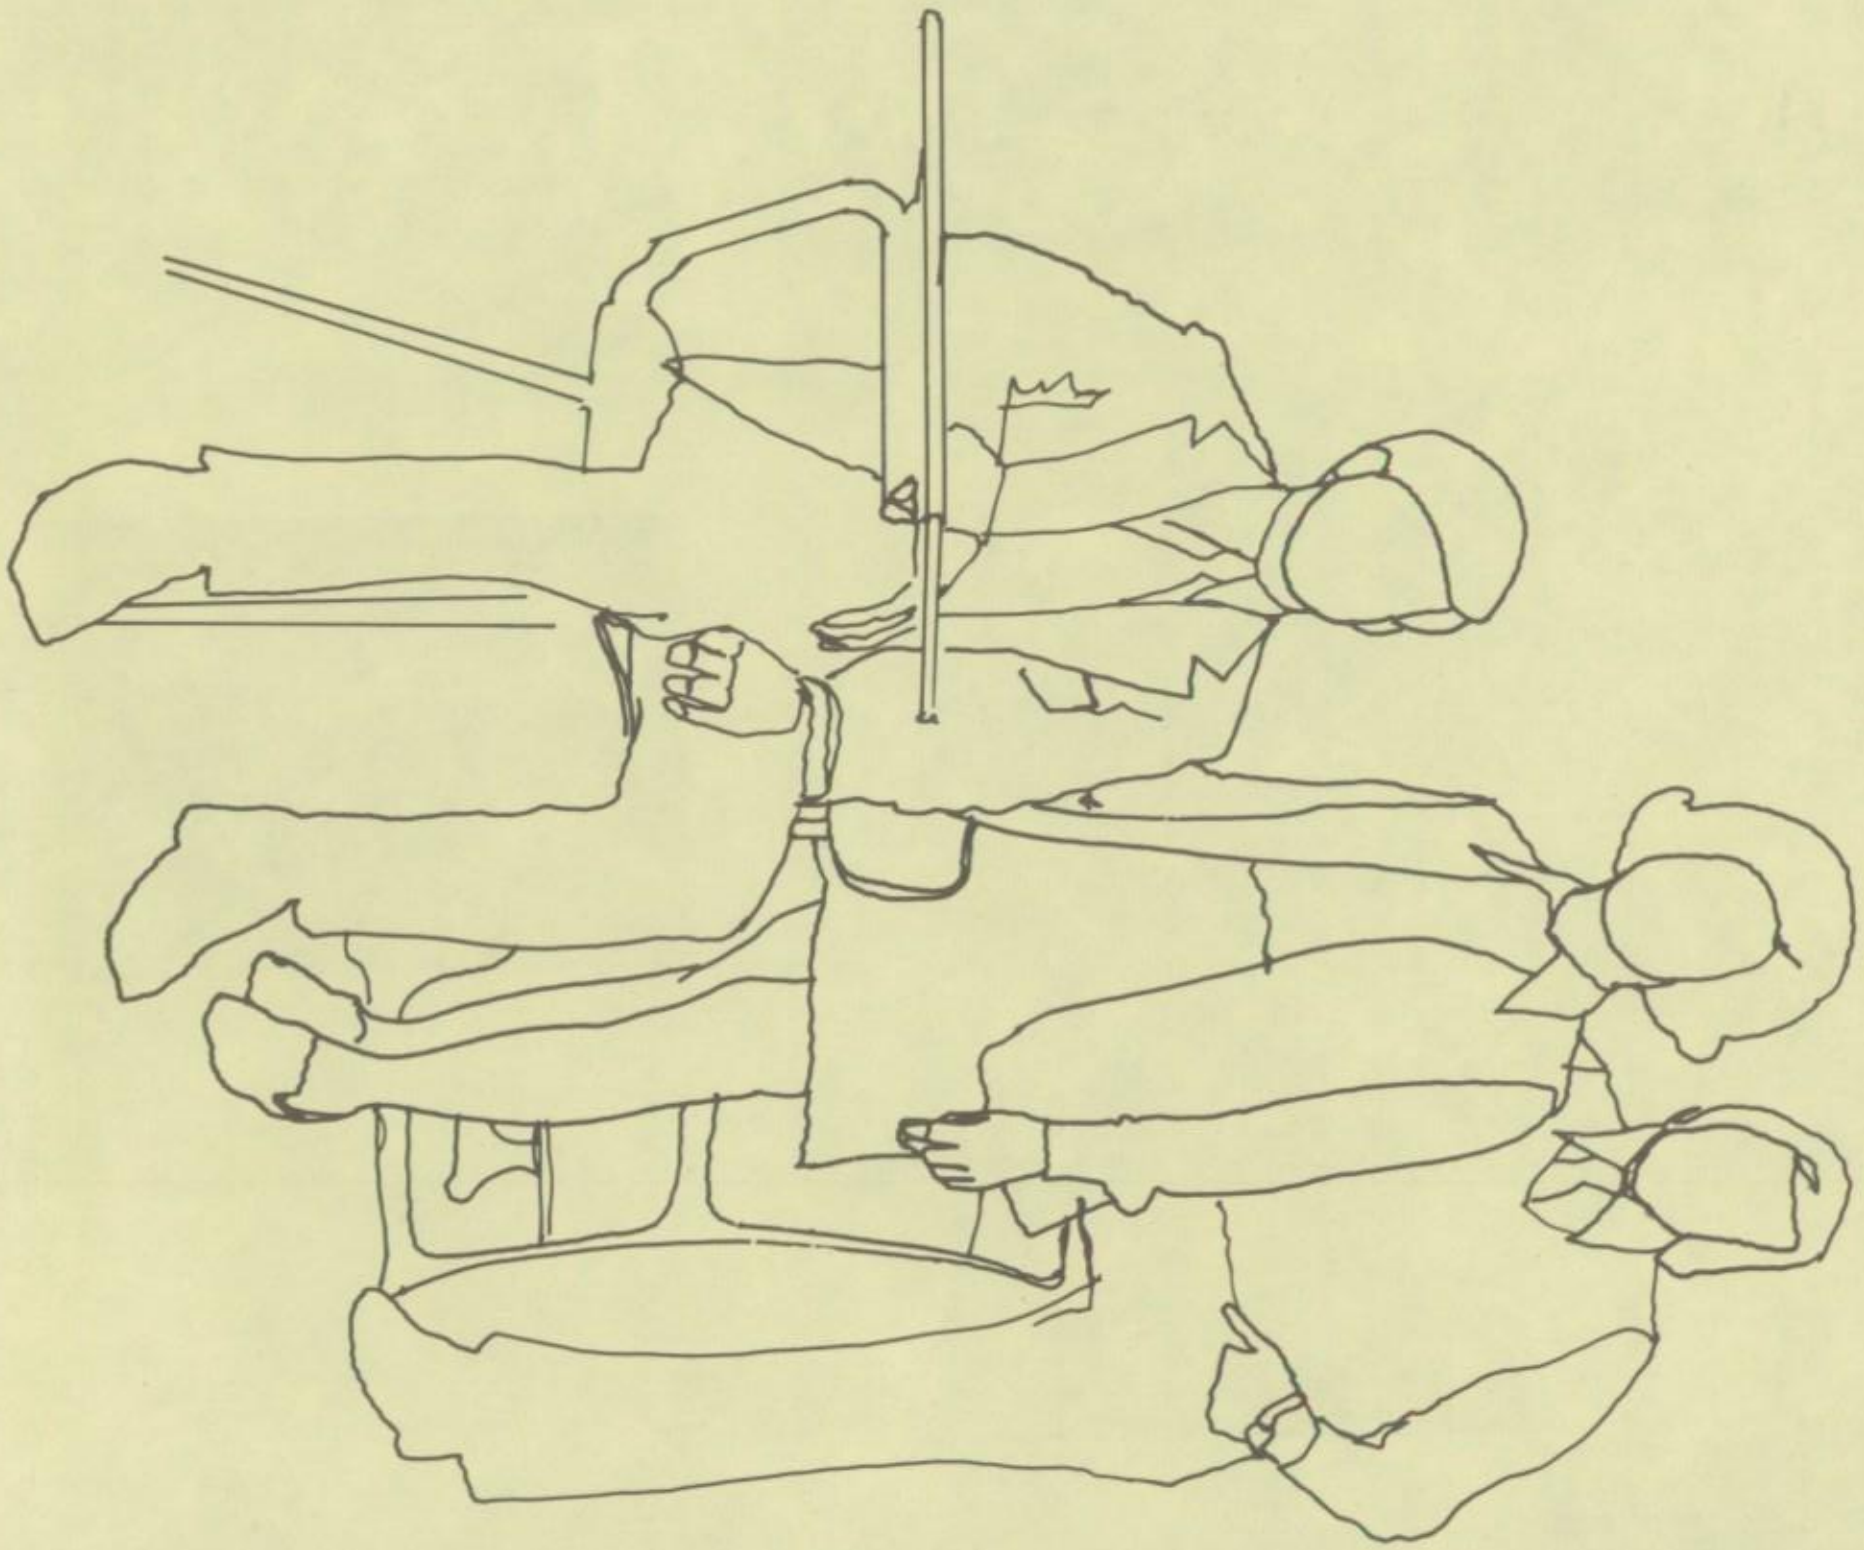
Reflections of Clinton Prairie

The spirit of Clinton Prairie is reflected in its faces. The looks of happiness, aggravation, curiosity, despair, patience, and anticipation are all expressions of school life. The smiles and frowns are images of the moods anf movements of C. P.

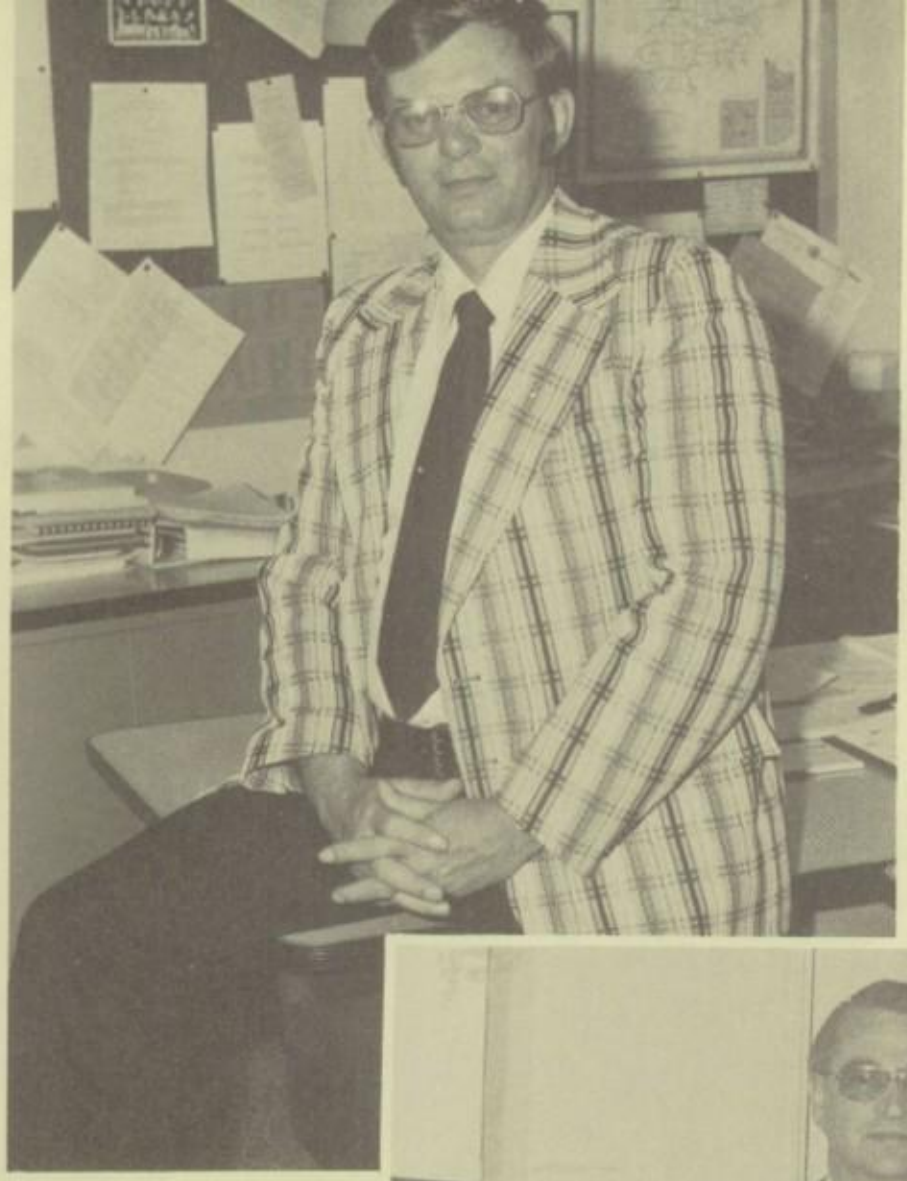




ACADEMICS

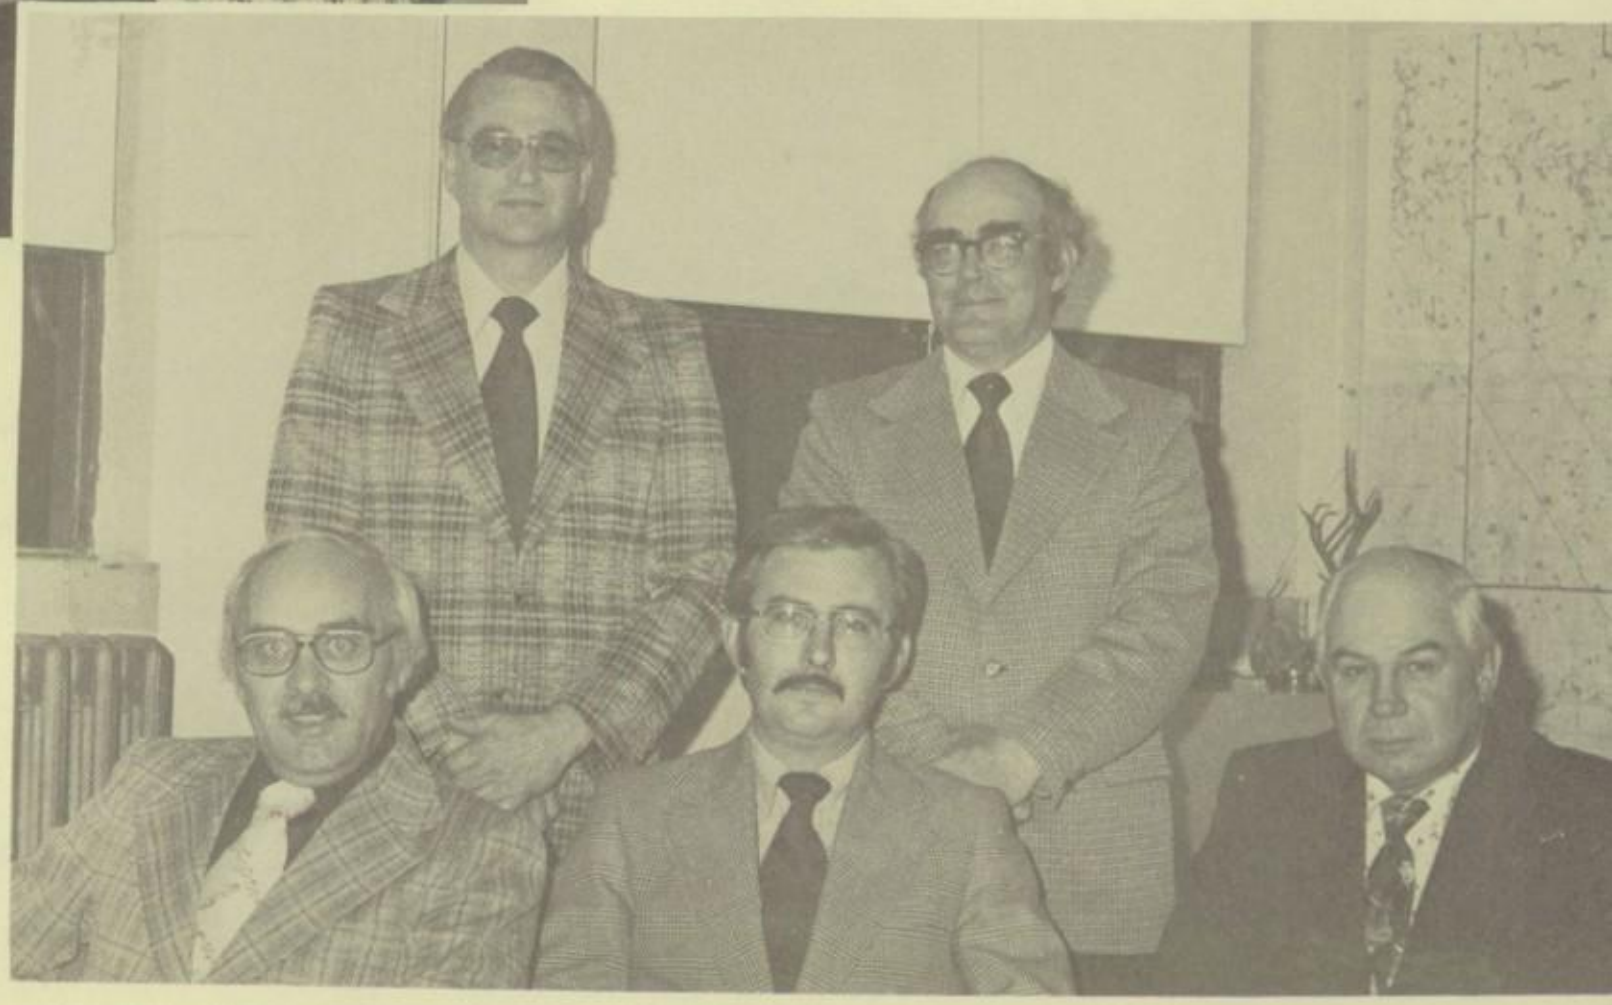


ACADEMICS



SUPERINTENDENT, ROBERT SPENCER

The Superintendent and school board of Clinton Prairie are overseers of the entire corporation which includes three elementary schools in addition to our own jr-sr high school. Not an easy job, the responsibilities are great, but these men do their best.



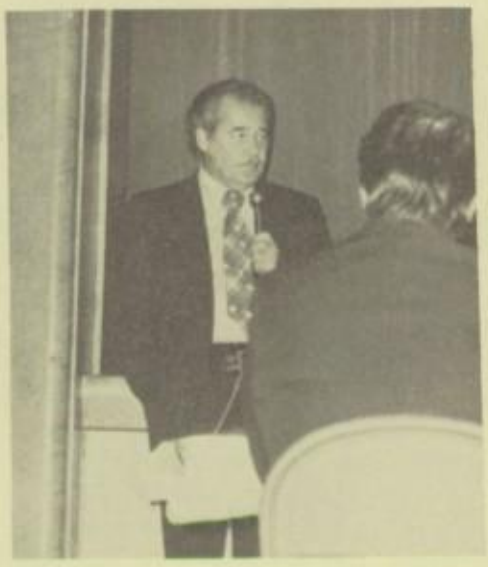
SCHOOL BOARD

Dave Dickerson - Pres.; Dr. Weyman Salmon - V. Pres.; Dennis Davis; Robert Moore - Secy.; Merle Pollard

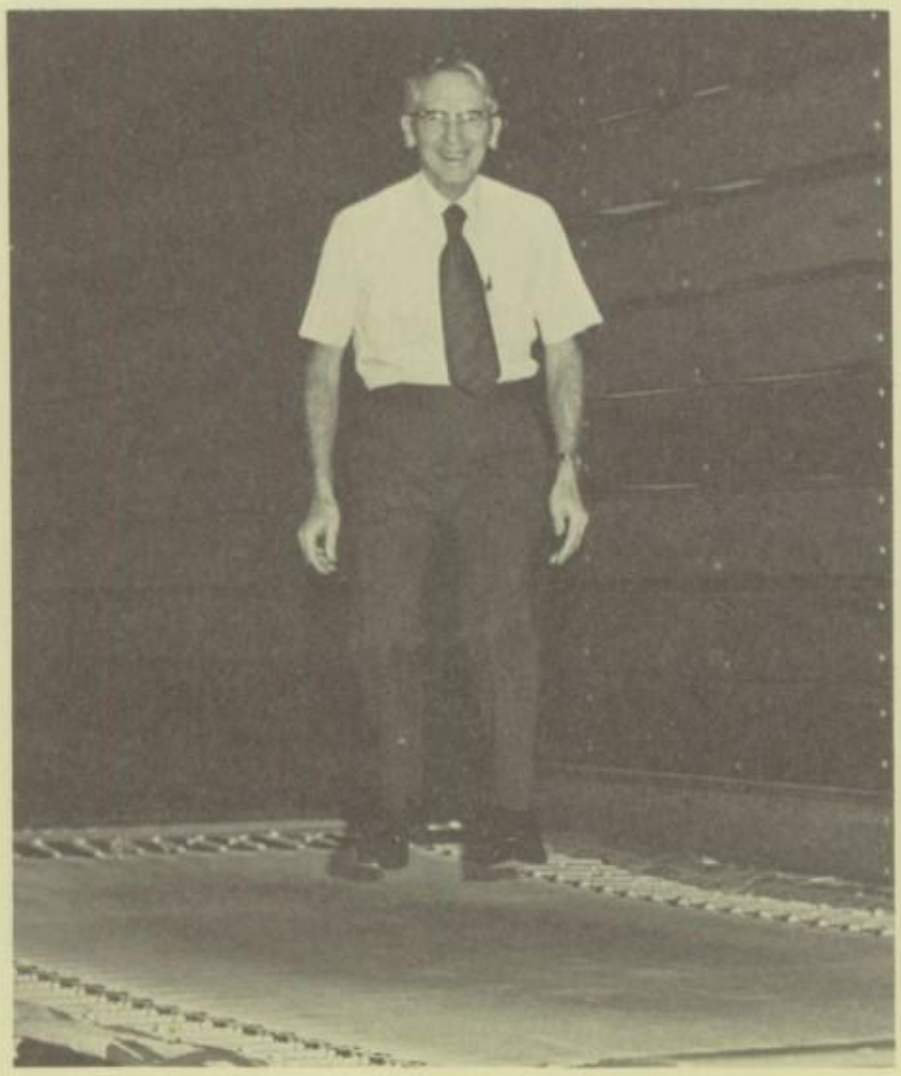
Betty Siekman
Helen Kimmel

CLIFFORD KEIHN, PRINCIPAL

Along with reading the morning announcements and the menu for the day, Mr. Keihn discusses a variety of problems with many students daily. He also served as keeper of Derky (the Spirit Stick) during Spirit Week.



EUGENE ALEXANDER, ASSIST. PRINCIPAL



Besides his duties as assistant principal, Mr. Alexander keeps the school in working condition with his talents as a handyman, keeps it clean by tidying the halls, and keeps the students smiling by taking pictures.

"You know you need an excuse from your parents." "What can I do for you?" "I'm sorry but Mr. Keihn is busy now." "Are you late for class again?"

"What club is this money for?" "Why do you need a pass?" "Hello, Clinton Prairie High School . . ." "Your sponsor has to sign this purchase order."

Mrs. Sims, Secretary, and Mrs. Price, Extra-Curricular Treasurer, provide invaluable service to our school. If the truth were known, the school wouldn't be able to function properly without them.

MAURICE CROXTON, GUIDANCE

Mr. Croxton not only advises the seniors on college education and helps students arrange their schedules, but he records all those wonderful grades on our permanent records.

NICK ZAFRAN, GUIDANCE

Mr. Zafran takes care of the Jr. High students' schedules and grades and assists Mr. Croxton. He is also a great fan of Juicy Fruit chewing gum and WFBQ.

VIRGINIA SCHEIRER, NURSE

Besides treating minor injuries and illnesses, Mrs. Scheirer also has to determine whether a student needs medical help . . . or . . . an hour or two of sleep!

Susan Bentley--Teacher Aide; Dick Caplinger--Health, P. E.; Anita Radel--Jr. Hi Class; Tony Cook--Social Studies

Carol Surface--Study Hall; Gordon Logan--Agriculture; Dennis McDonald--Science; Jack Wisniewski--Music

A good coach needs a patient wife, a loyal dog and a great quarterback-but not necessarily in that order.

John Elliott--Math; John Fetters--Math; Nancy Prosser--Business; Carolyn Gill--Spanish, English

Bill Dettle

Jim Compton--Latin, English; Carolyn Estes--English; Jean Hurt--Media Co-ordinator; Andy Adamson--Social Studies

Steven Nichter--Music; Janelle Rice--English

Jim Miller--Industrial Arts; Charlotte Bailey--Math

Near the end of summer, I went shopping with a girl friend for highschool textbooks. My friend, tiny and dressed in sweater, skirt and loafers, had a long list. As we approached the checkout counter balancing books in both hands, the clerk remarked, "Looks like you are going to be the smartest girl in the class." "I certainly hope so," she said. "I'm the teacher."

Margaret Woody--Food Service Dir.; Edmund Gable--Math

The first day of school, the teacher went to great lengths to explain what she expected in the way of conduct and what disciplinary measures she was prepared to take. After class was over, a boy went up to her and said, "I just want you to know-I'm one of the good guys."

Bob Beck

Martha Fields--Home Ec.; Karon McColley--Art; William Morrison--Vocational Ag.; Bob Snyder--Music

Bob Spangler--Business; Jane Zachman--Social Studies; Joan Platt--Home Ec.; Lee Moyer--English

THE PEOPLE THAT MAKE CP RUN!

We complained about the food; we complained about the bus rides; we complained about the custodians complaining about us. But the school needs these people and without them, it would probably fall apart.

Our cooks: Linda Deford, Donna Cooper, Inez Pence, Gladys Rex, Bernice Vandermark, Sue Jean Good and W. Jean Davis.

Dortha Thompson works the cash register.

OUT CUSTODIANS:

Russell Harshbarger, Tom Moore

Martha Bridges, Jim Bridges, Mary Lewis

Glenn M. Harshman, Stuart Ghere, Walter Jacoby, Hubert M. Smith, David Kimmel, Gary Cooper Cost. , Leroy Kesler, Harold N. Smith, Harold Neal, Herbert Schocke, Robert L. Gilmore, David D. Krammes, Ora Coffman, Clavin Anderson, Charles F. Guffy, Ima Jean Hoffman, Virginia McCabe, James Hinkle.

The man whose problems are behind him is probably a bus driver.

Student teachers must experience the good and the bad of teaching. Our student teachers--Tim Brant, Bonnie Grimble and Claire Stevenson--received a little of both. We hope they have decided to stay in teaching--in spite of us.

Jaana Tiinari

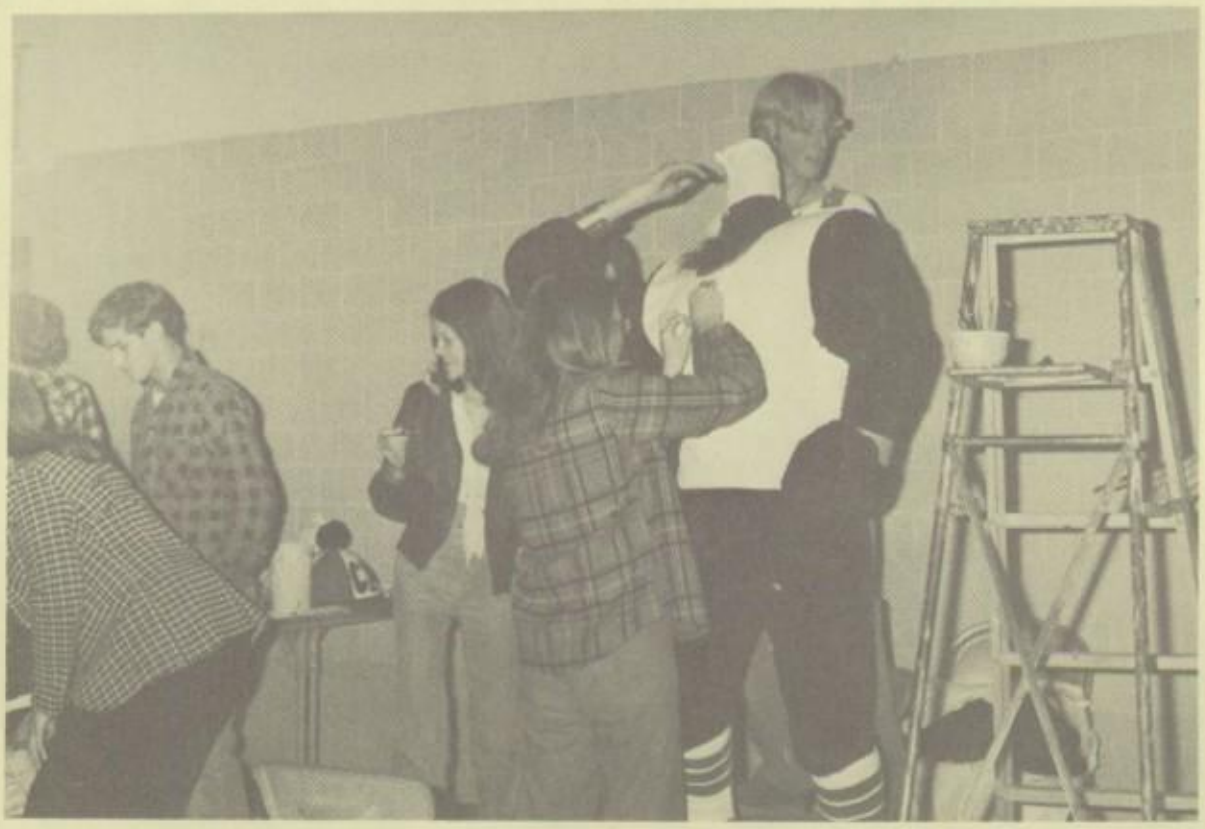
Jaana was in Pep and Science Clubs, and on Track and Volleyball Teams.

"I would like to thank my family and my friends, who helped me and made my year a good one. It was a big change to come from the seashore to the middle of the cornfields. I enjoyed my time at C. P. , though I looked forward to the weekends. I enjoyed volleyball and track was tough. Most of all I liked Mrs. Estes' Senior English, and Mr. Compton's Am. Lit. was fun.

Did I learn anything? Yes, I became more mature and learned not to fear life. I feel I have gained self-confidence, because of all the new experiences I faced. "

Adriana Montero Sáinz

"I believe that the people of this country are very pleasing; everyone is kind and helpful. I will never forget this wonderful country, not even to the end of time. "



For things that have gone
To the things that are here
I still believe in tomorrow
Even though it's not here

FUTURE FARMERS OF AMERICA

This year the Clinton Prairie F. F. A. Chapter had a busy, industrious year as always. Among some of their activities included: The Student-Parent Banquet, the district, state and national F. F. A. conventions, popcorn sale, quilt chain, Farm equipment and slave auction. They attended the National Pork Congress, the Farm show in Louisville, KY, and went to Quincy, IL, to observe a Mormon Feed Mill. The livestock team received 1st in the County. The Soil Judging team received 1st in the County and 1st in the district. Pres. , Larry McCabe; V. OFFICE AND OFFICE AIDES

Several students had the opportunity to work in the office this year assisting Mrs. Sims and Mrs. Price. Among their varied responsibilities were picking up attendance slips, answering the phone, running errands and losing pencils.

GUIDANCE AIDES

These six girls assisted Mr. Croxton and Mr. Zafran in changing schedules, typing and keeping records straight. They were Annette Beaver, Jana Biesecker, Jeannie Neidlinger, Amy Gascho, Julie Lewis and Jennifer Pletch.

CAFETERIA HELPERS

This year's kitchen aides were not only a wonderful help to the Cooks in preparing the meals, but also promoted faster service to hungry students in the lunch lines.

NURSE'S AIDE

This year's nurses aide, Carol Myers, assisted the Nurse by taking care of students and keeping the office in order.

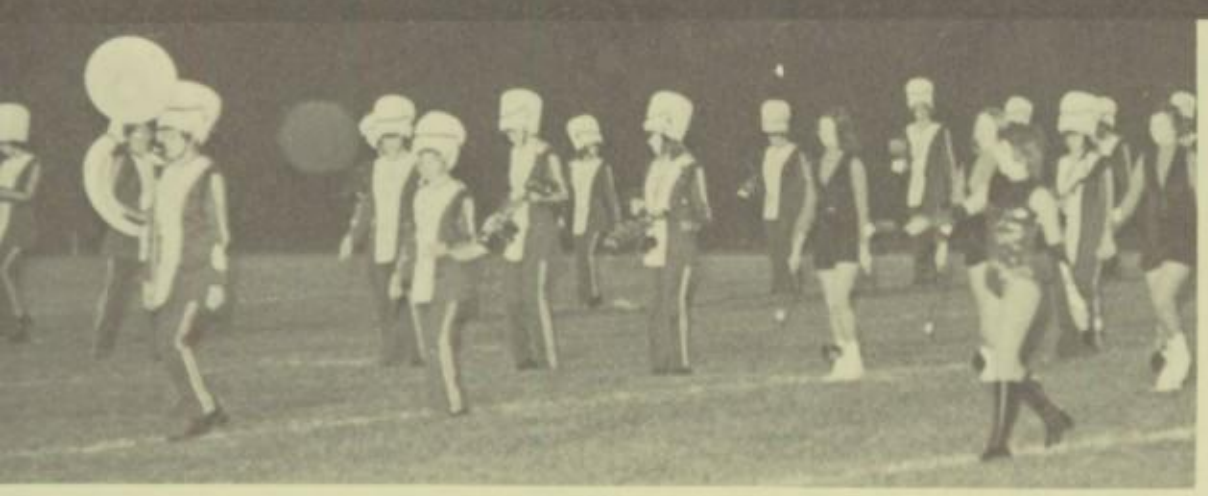
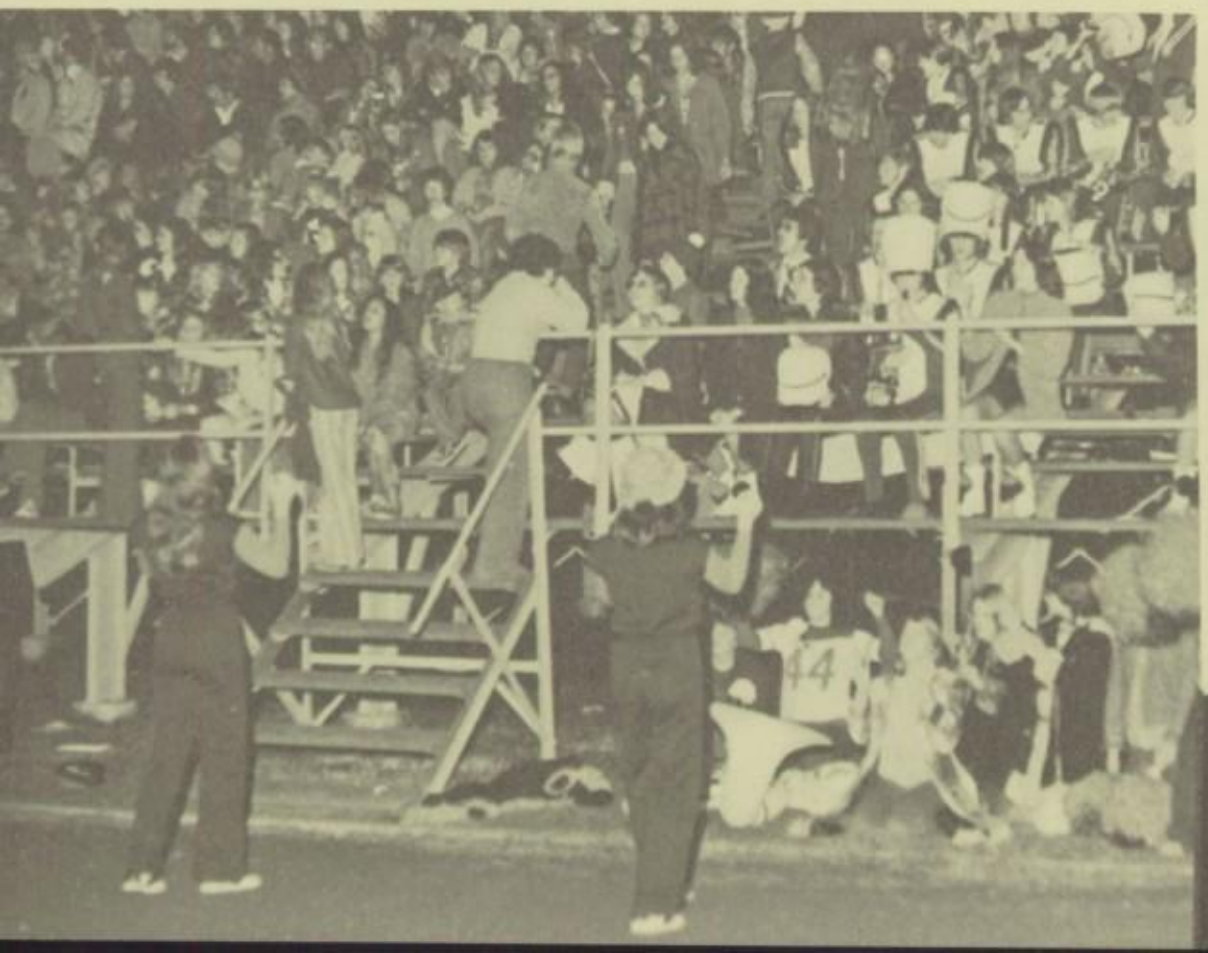
COME ALIVE IN '75!



On Oct. 26, 1975 Amy Gascho was crowned Homecoming Queen. The theme this year was "Gophers Come Alive in '75." Industrial Arts took first prize on the floats. "Daddy Wolf" played at our dance after the game. The fans were disappointed as our football team lost to Western Boone 14-13.



HARD

We experienced an exciting Hardwood this year as Prairie defeated the Zionsville Eagles. Adding to the excitement was the crowning of Karla McCorkle as Hardwood Queen. The evening was topped off with "Atlantis" performing at a dance afterwards.

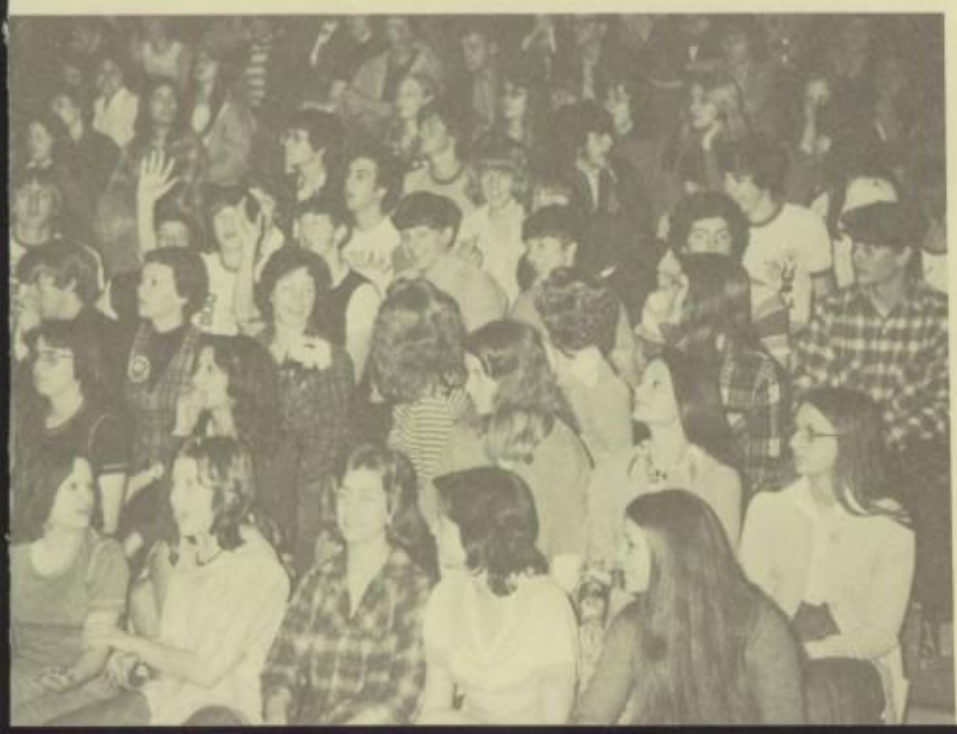
Spirit Week was very successful in promoting enthusiasm, with all classes competing in tennis shoe and sock day, blackboards, halls, yelling and spellout. The class of '79 took the jr. high division and the class of '76 took the senior division honors for the third consecutive year. Getting to the semi-finals caused much excitment and another pep rally.

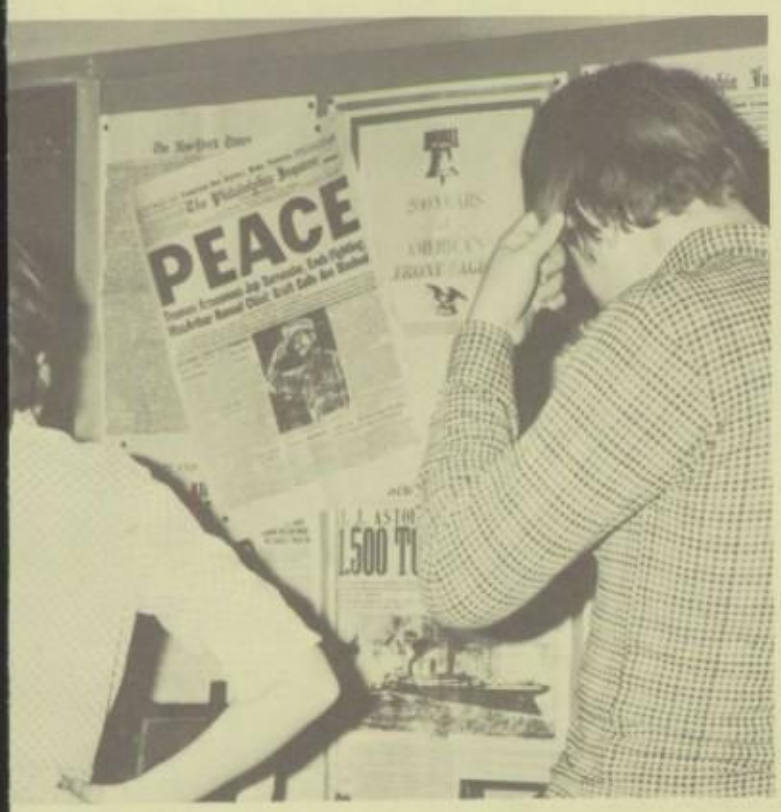


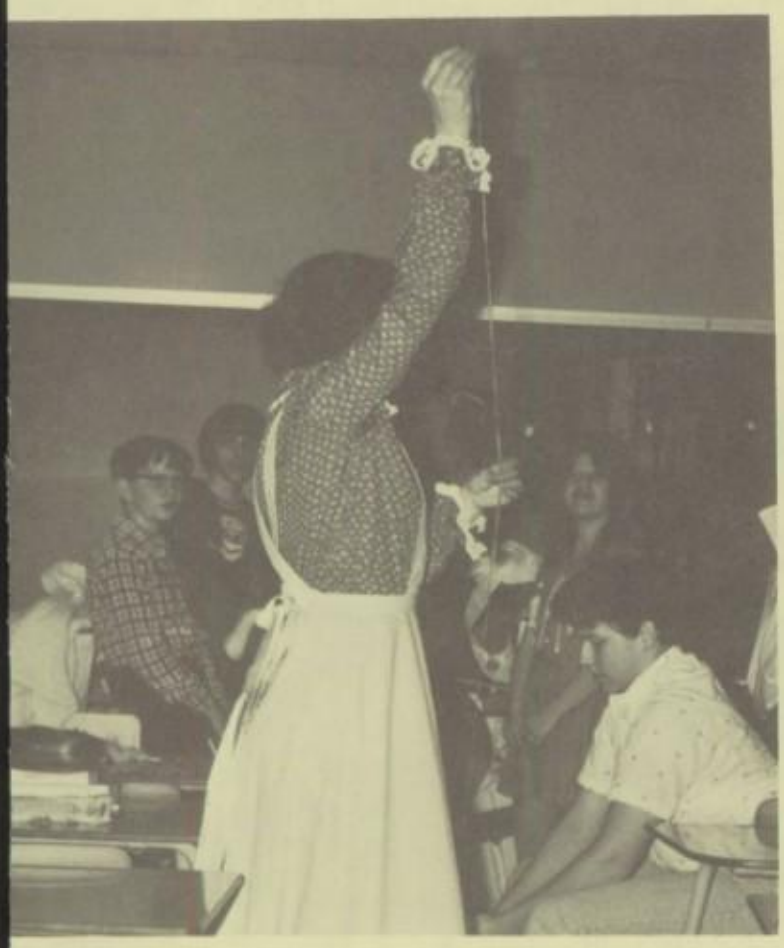
HAPPY BIR
AMER

With the arrival of Uncle Sam and the Liberty Bell, Clinton Prairie inaugurated its own celebration of our country's Bicentennial. Quilting bees, antiques, Eleanor Roosevelt, famous Indians, successful graduates of CP and the community, a tulip tree, a flag and Dolf Droge were all a part of our Bicentennial.

And that's the way it was--this year at CPHS!

THIS IS!





owntown U. S. A. was presented March 17, 18, 19. Emcees for the show, Lisa Louise Anderson and Jill Anne Presley, toured the U. S. A. in their Chevrolet. Their entertaining itinerary included Chicago, San Francisco, New York, and Nashville (complete with Porter and his Dollies!) The show was a smash! Mr. Compton directed, Mr. Snyder and Mrs. Wisniewski conducted, Ms. McColley designed, Ms. Radel choreagraphed, Mr. Alexander photographed and- oh, yes- I helped!

"YOU AND ME AGAINST THE WORLD"

A Prom is that special event of the year when the girls dress up in lovely gowns and the guys, for once, wear ties and jackets and they dance to slow music and watch a king and queen being crowned to reign over the night. This year's Prom was no different. A little crowded-but no one seemed to mind-the guests looked on as Tricia Alexander and Roy Loveless were crowned Queen and King and Janet Ruch and Joe Deford were crowned Princess and Prince. Afterwards--the Post Prom--and then on to Turkey Run or some similar place--and all too soon, it was back to school the following Monday. A special weekend--perhaps it is good that it only comes once a year.

Prairie has had many of its student body and staff honored throughout the year. GRADUATION

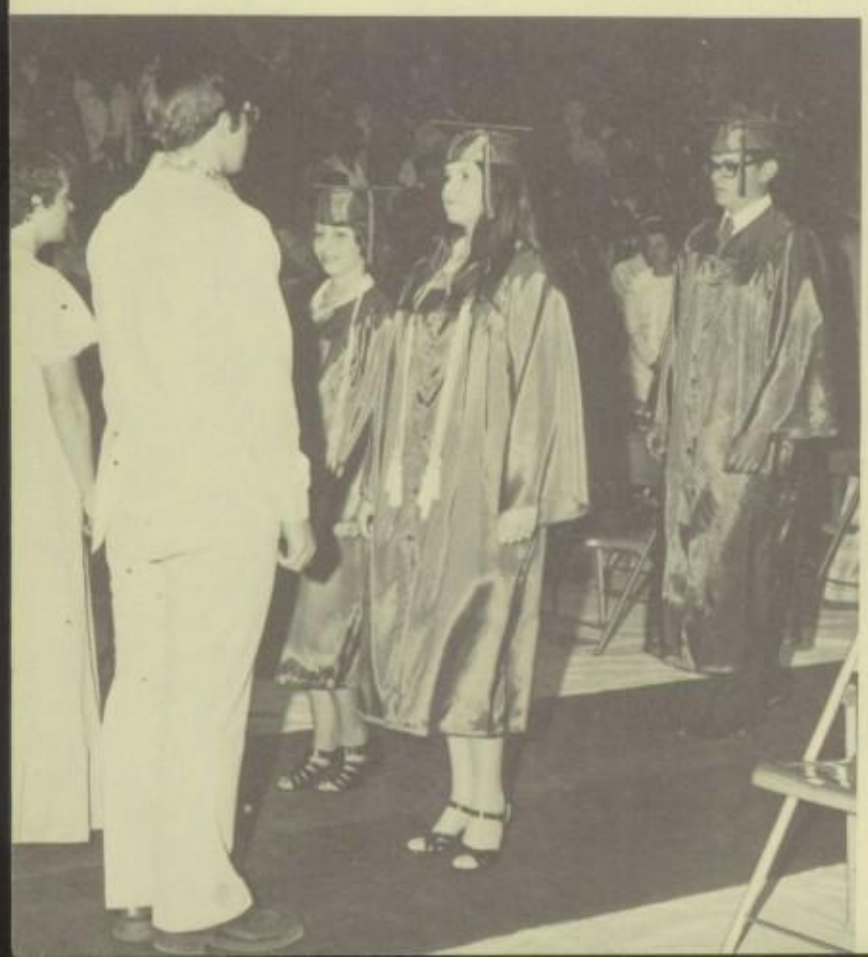
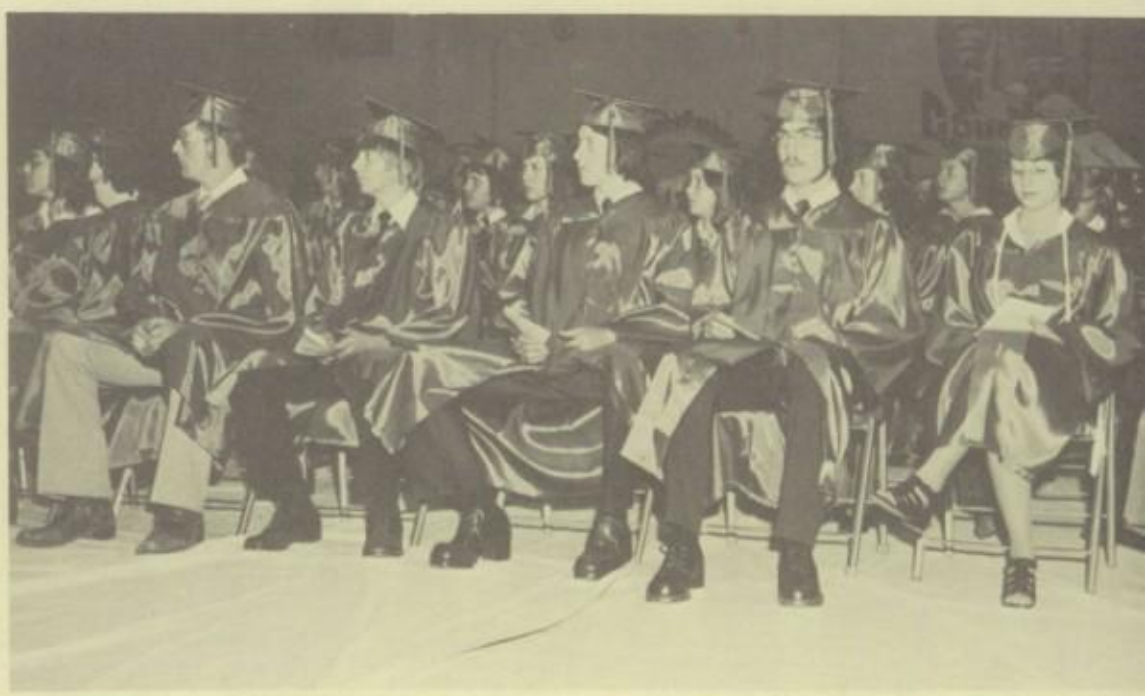
CLASS OF "76

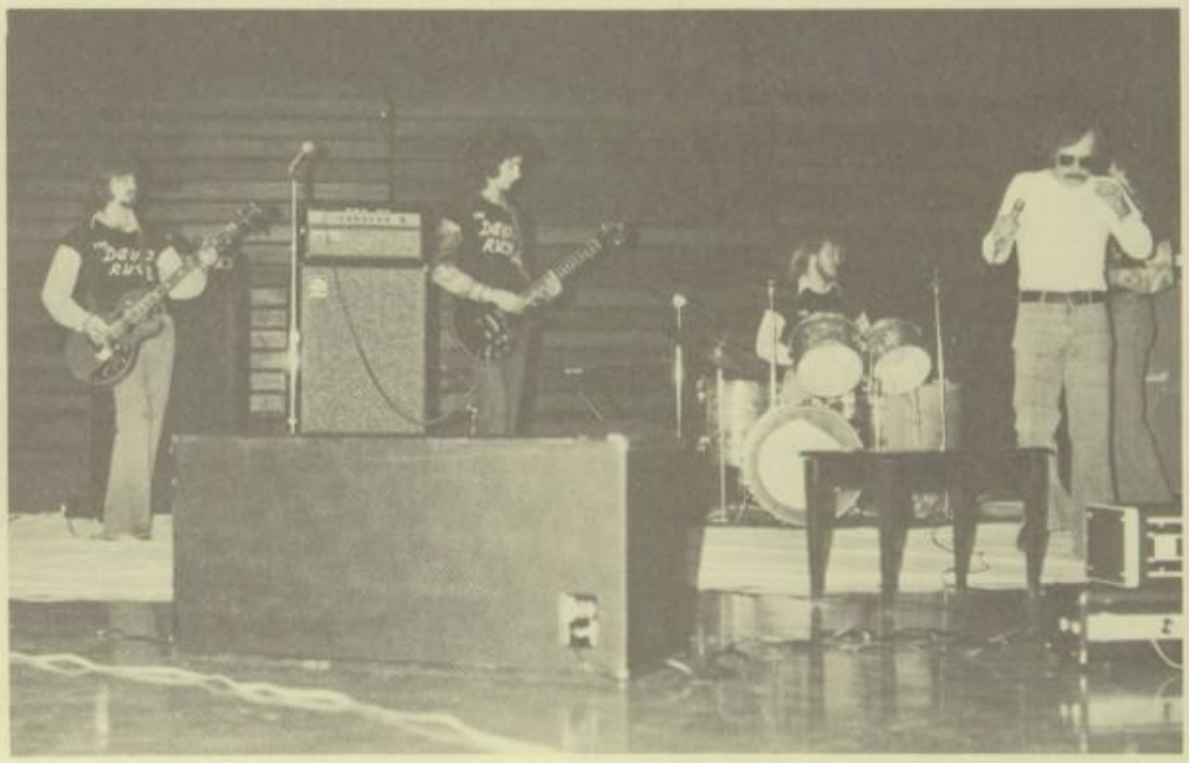
The seniors' last year culminated in their graduation exercises on May 23, 1976 in the high school gym. The eighty-one seniors present heard the Reverends Weaver, Eldridge and Schmidt encourage them to look to the future. Impressive as the ceremonies were, even more impressive were the mingled shouts of joy and the tears of sadness as many realized they were beginning again.





Whether it was classy music . . .

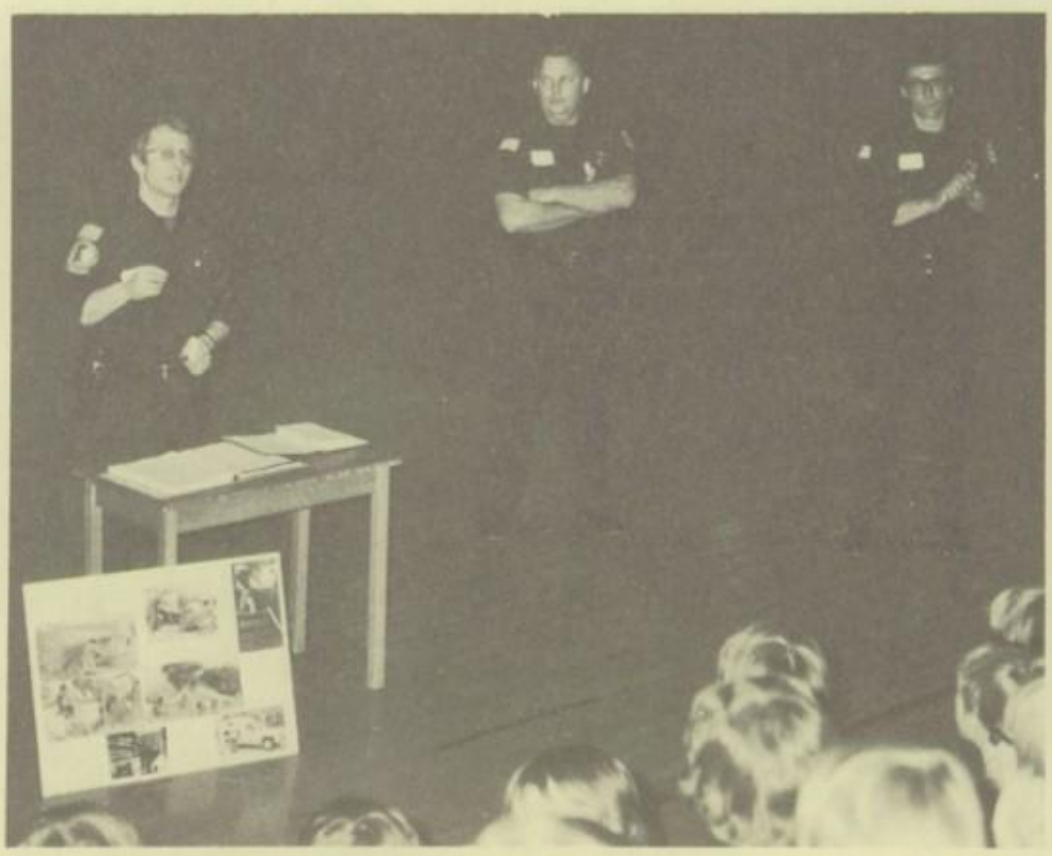
Christmas songs . . .



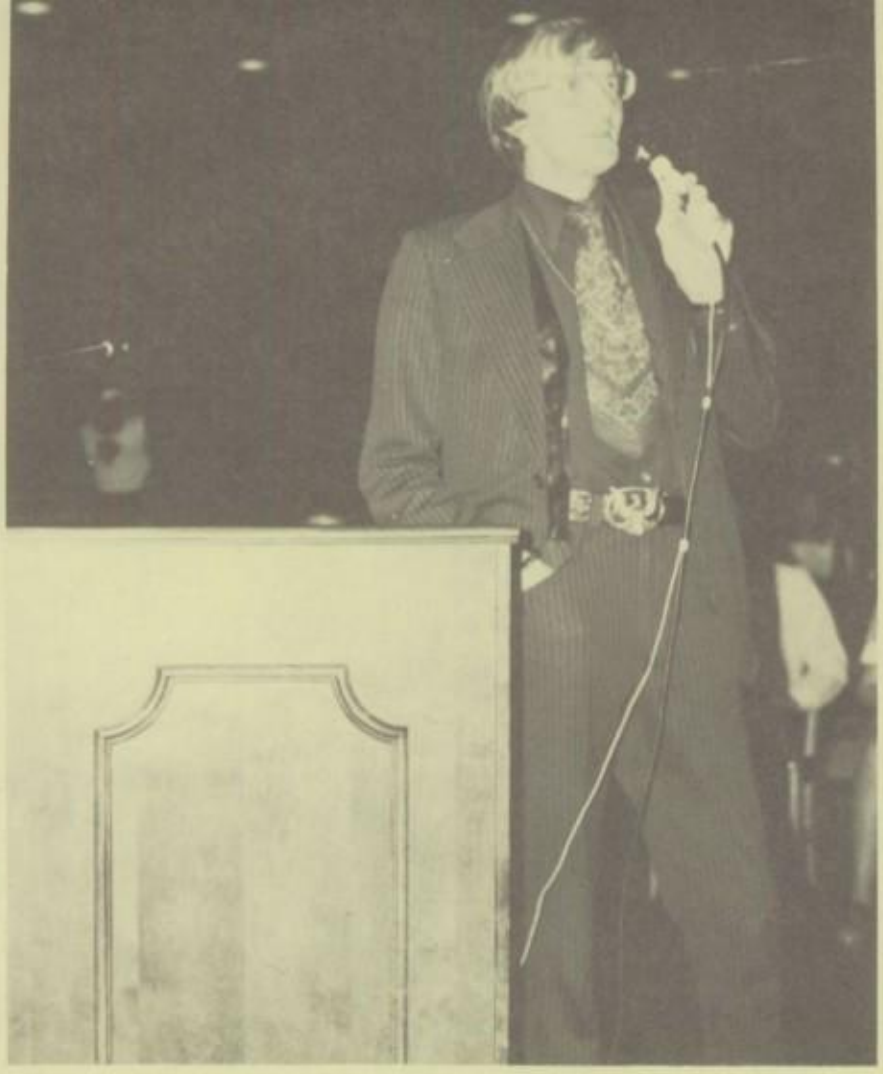
or rock;

whether it was away . . .

or at home;



CONVOS



whether it was inside . . .

or outside . . .

or during a pep rally . . .

or after one---

Clinton Prairie had a variety of groups and individuals performing before its student body. Individual classes had their own "mini convos" as people from the community came into the classroom to share their experiences. Whatever--lawyers, or a 90-year-old man or our very own stage band and vocalists, we enjoyed them all.

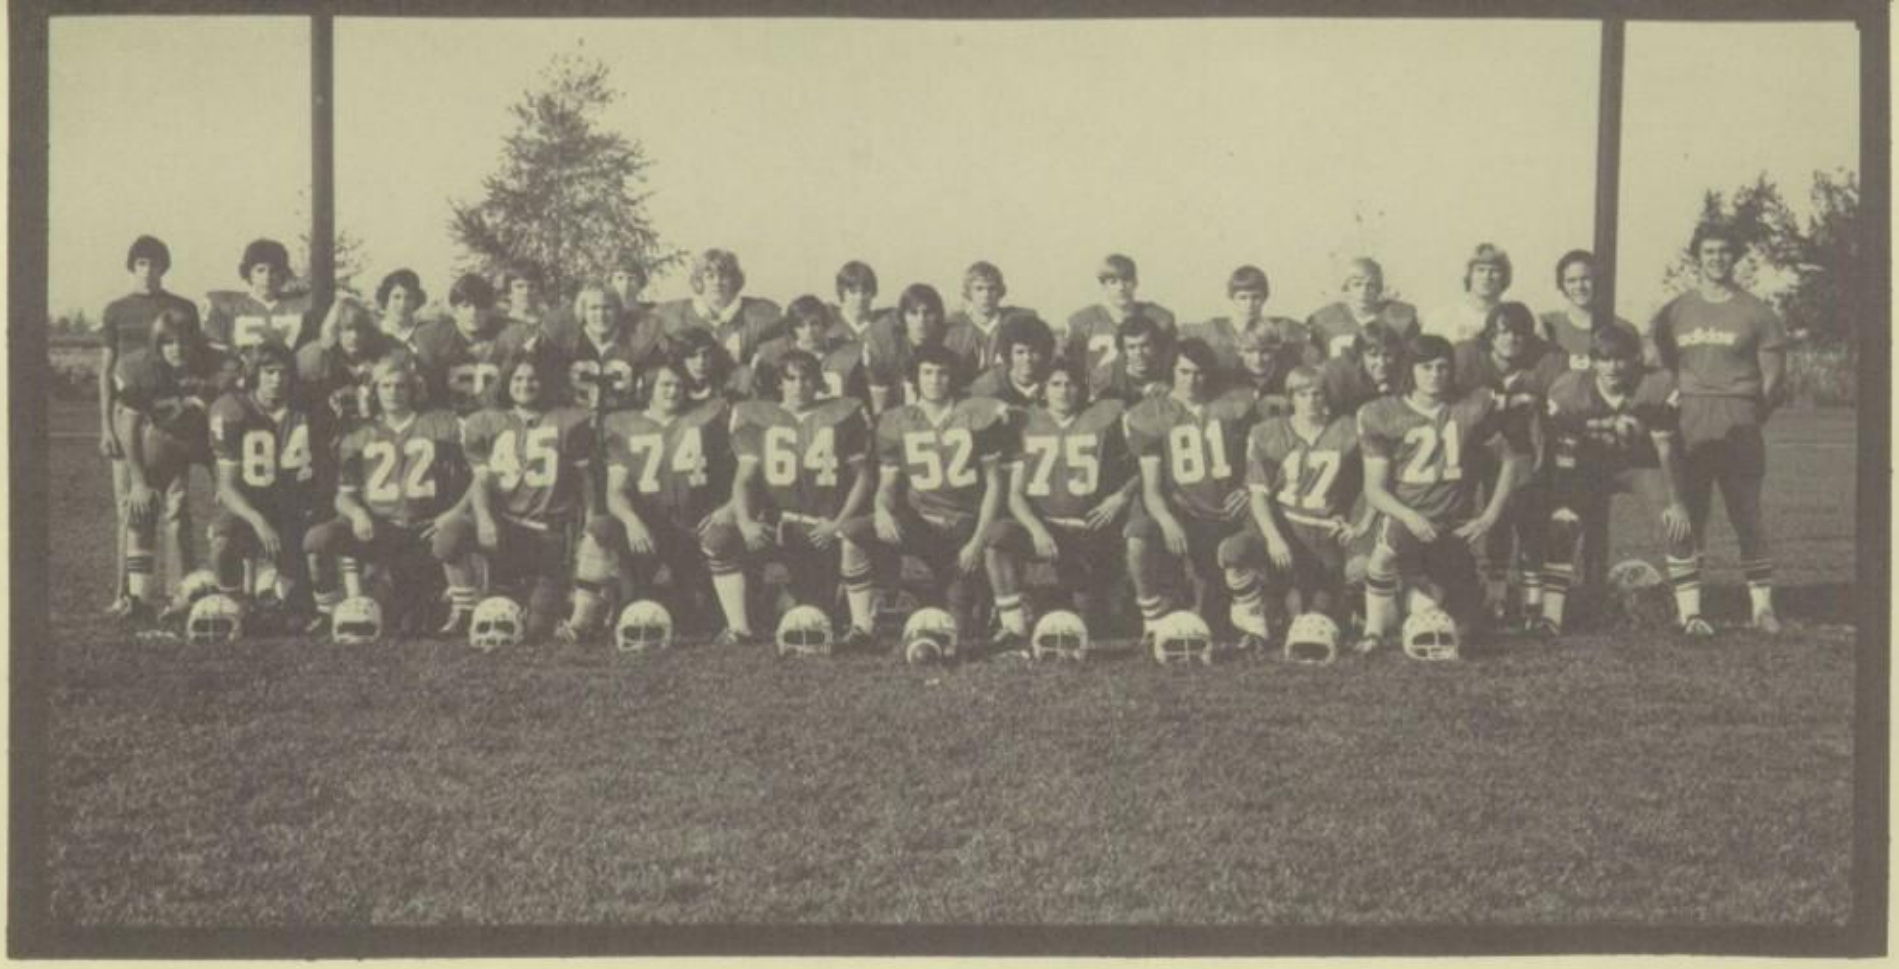
Despite losing five seniors from last year's squad and having what appeared to have been a losing record, our cross country team was highlighted by many outstanding achievements. Among these were a first time victory over Rossville and the highest placement ever in the cross country sectional--10th out of 20.



FOOTBALL

The football team made the step up in improvement this year which Coach Tony Cook was looking for in his task of building the football program. Though only 1-9, three losses were by a total of 13 points. This season's accomplishments included scoring 94 points and reducing the point spread from 38 to a respectable 15 points this year.

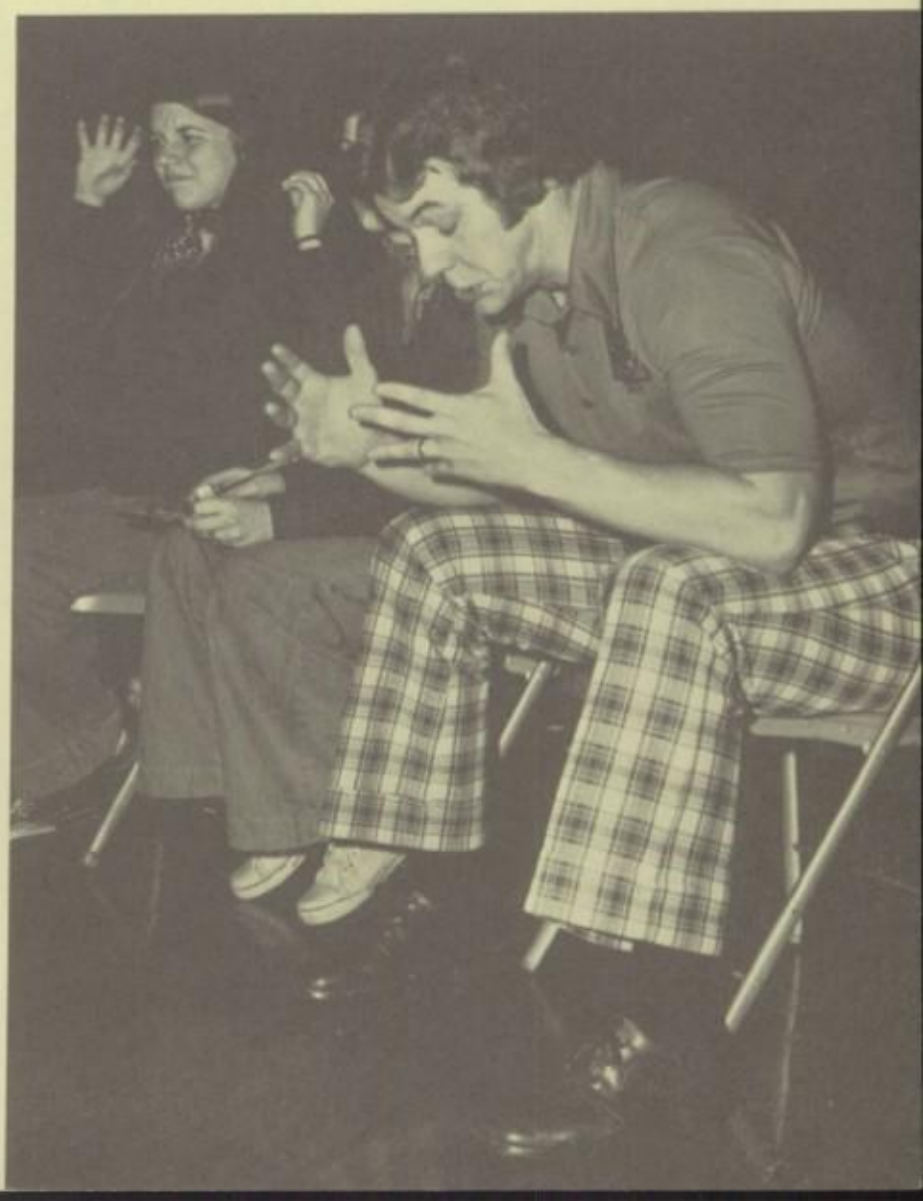
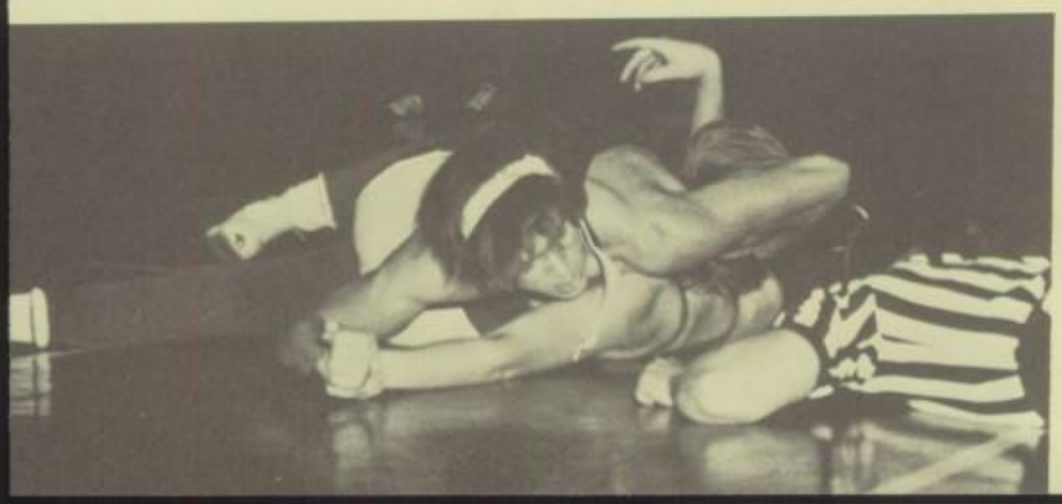
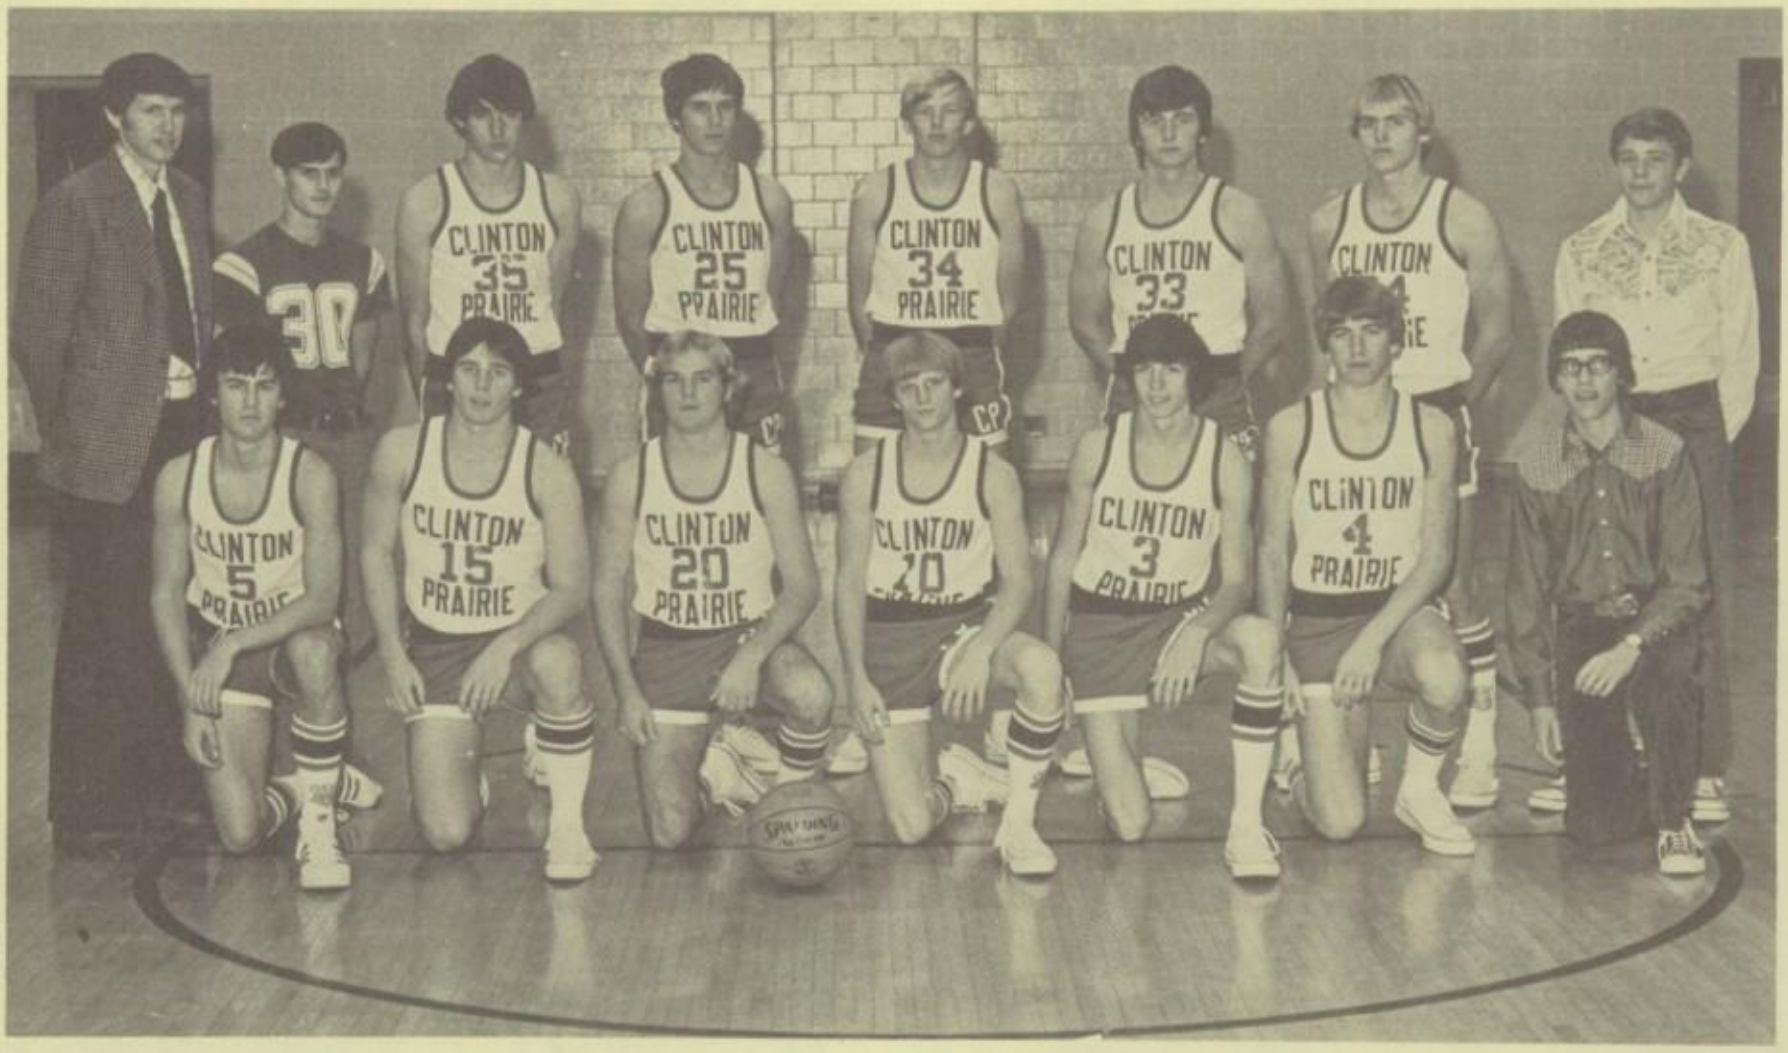
One of the bright spots in Clinton Prairie's successful athletic season was CP's wrestlers. Sporting an excellent 7-4 season record, the grapplers showed well in the highly competitive and tough Range Line Conference. The grapplers show much promise of having a strong team next year, losing only two seniors from the roster. Graduating will be Dan Cripe (13-3) and Jim Colter (14-2-1). Their services will be greatly missed on next year's squad.







BASKETBALL

This year's basketball season was quite successful. There were many accomplishments and improvements over previous years. This year's team posted the best record since 1967 (10-12) and beat Rossville for the first time since 1964! This team played like champions and displayed excellent teamwork in this year's Sectional, beating Clinton Central, 73-62, and getting nipped by Frankfort in the semi-finals, 71-66.

Dale Simmons, one of CP's finest athletes set many new records during his basketball career. Among the many that will stand for a long time: Most Career Points--1,208; Most Career Rebounds--593; Highest Career Field Goal %--.530.

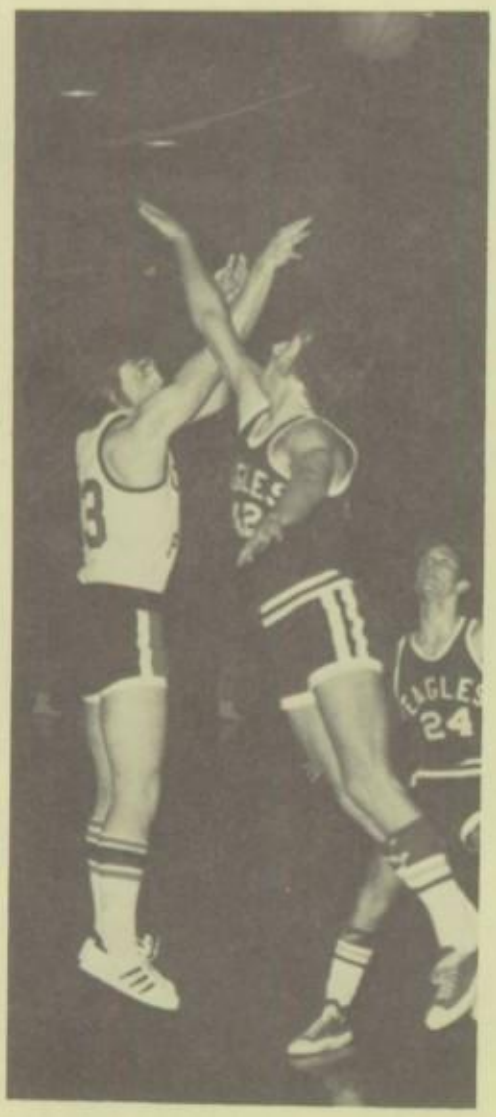
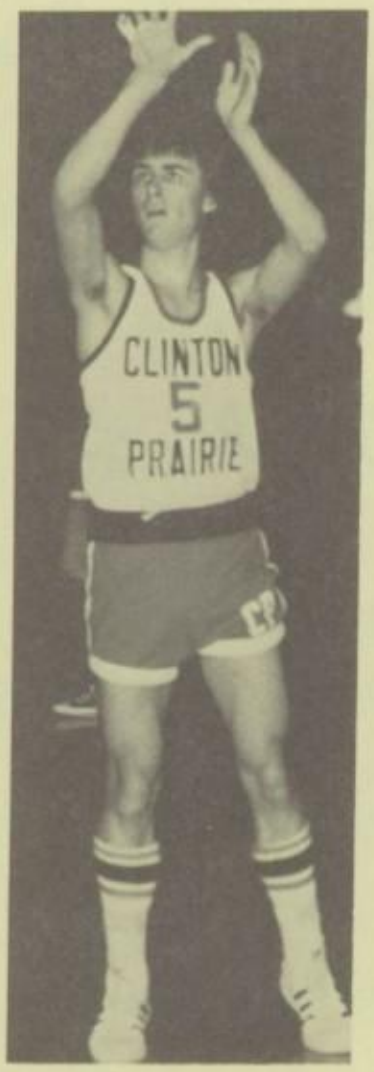
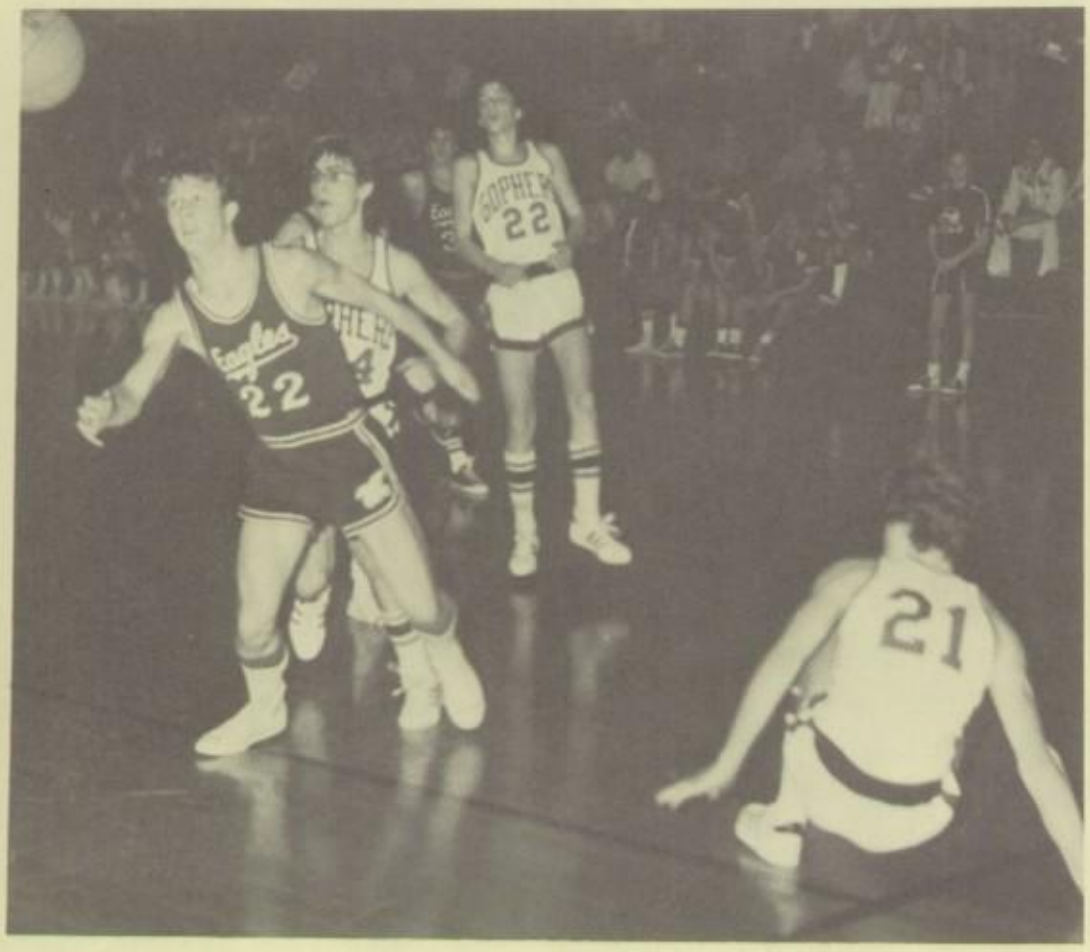
SHOOTING STYLES

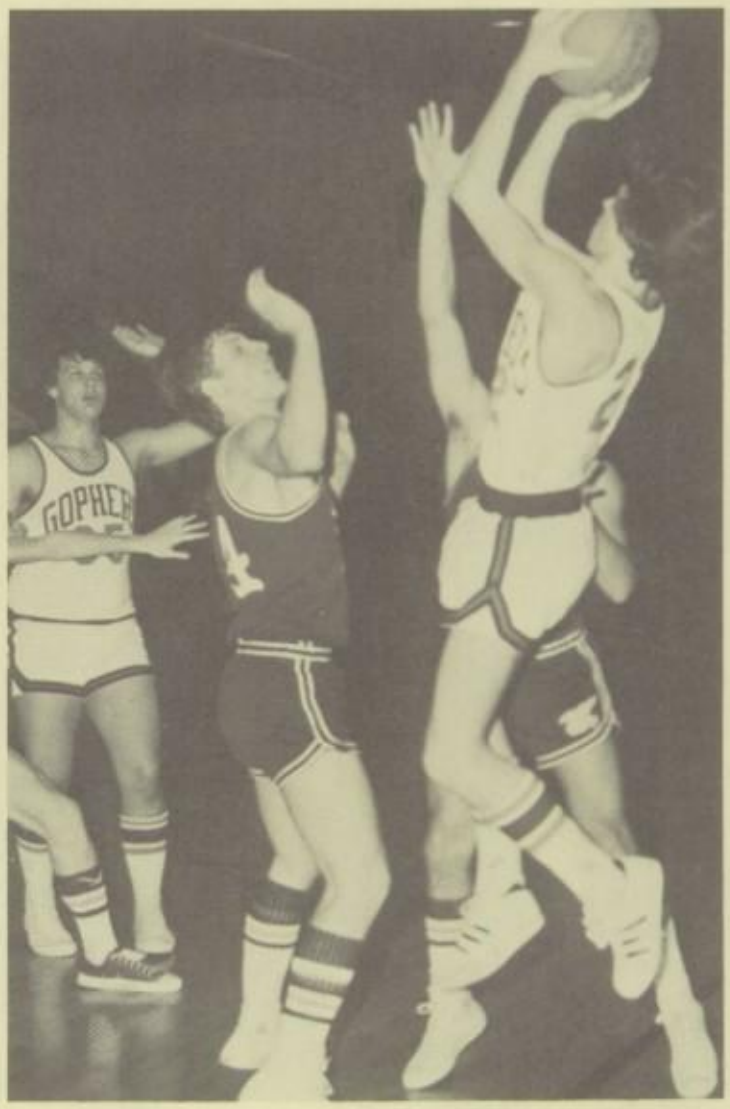


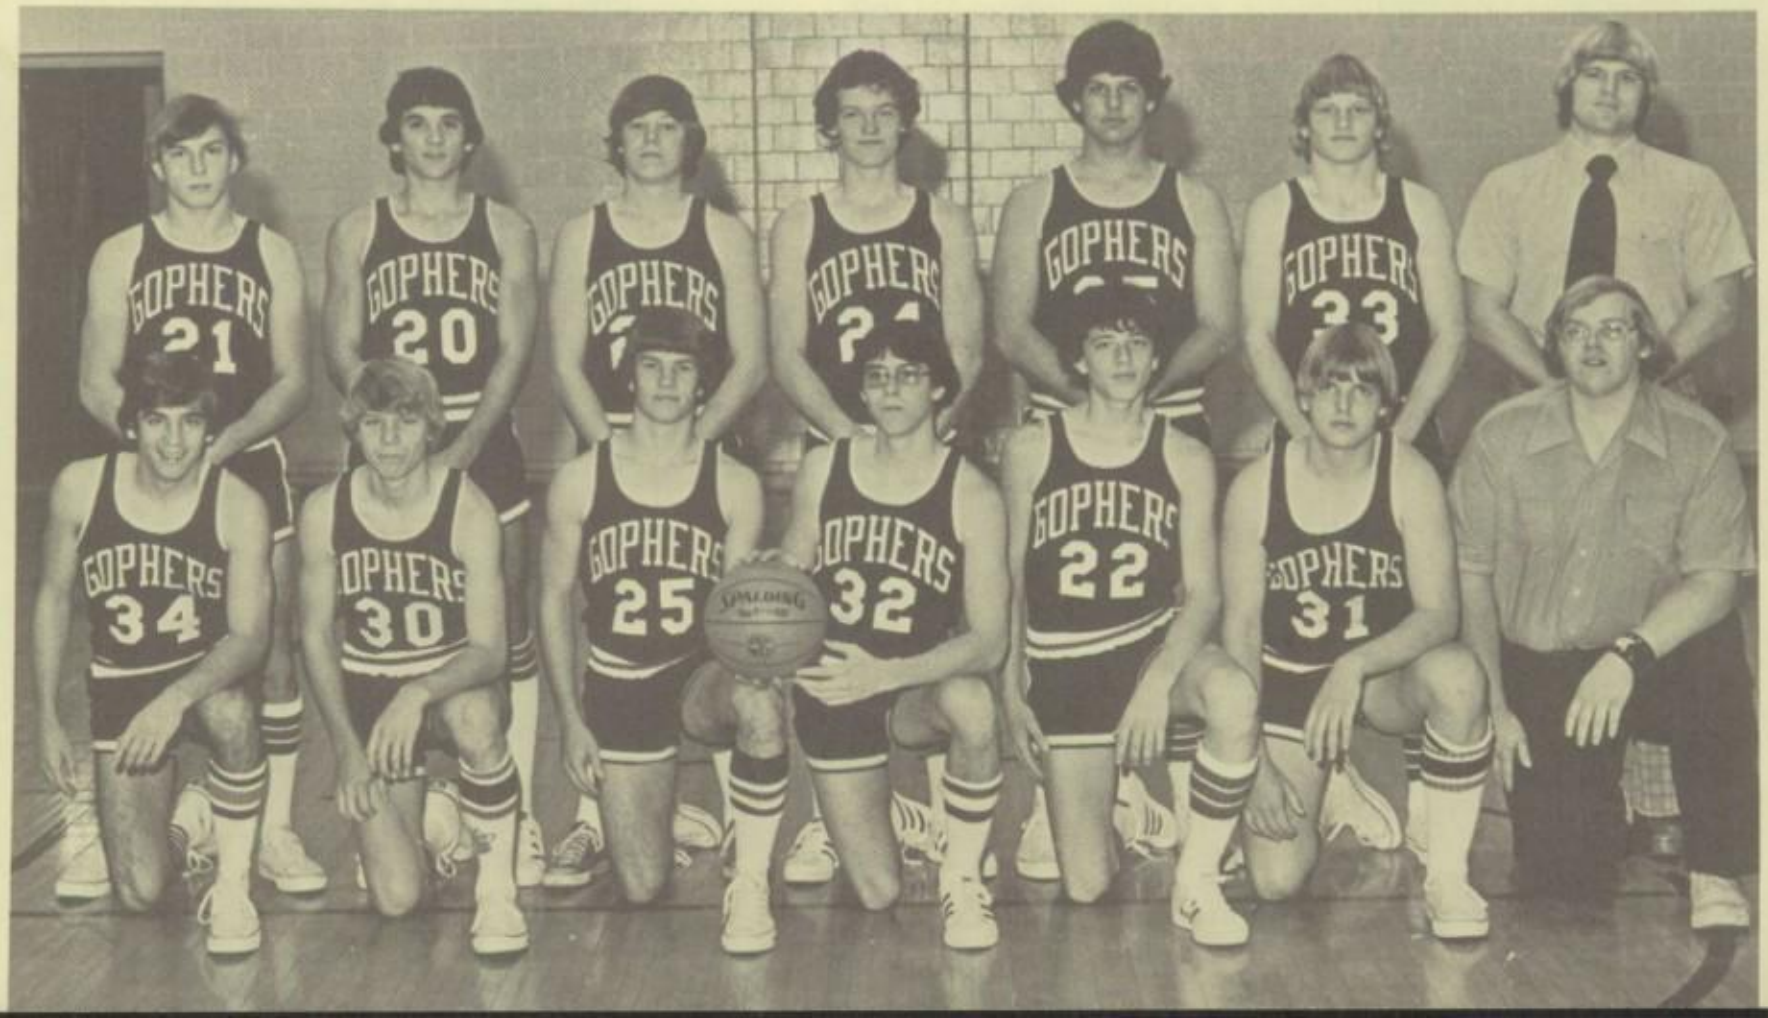


B-TEAM

Things are looking good for the future as the B-Team ended with an excellent record (10-5) taking advantage of their excellent quickness and harrassing defense. Coaching the B-Team with much finese was Tony Cook.







FRESHMAN

This years freshman team, coached by Bob Blaydes, started out slowly but finished there season on a strong note, winning their last 5 out of 6. They also won there own Freshman Tourney.

TRACK

This year's track squad had an improved season over last year despite much inexperience. Three school records were either tied or set this year. Craig McCullough set a new record for the two-mile run-10:46.9; Dale Simmons tied the school long jump record of 20'4"; Mike Biesecker tied the 100 yard dash record of 10.3. Honors awarded went to Mike Biesecker --Most Valuable, Grayson Gilmore--Most Improved and Dale Simmons--Team Captain. The squad should do better next year with a good returning nucleus of juniors and sophomores.

BASEBALL

Led by only four seniors--Bob Bradshaw, Robin Coyner, Mike Thompson and David Virgin--the baseball team compiled a respectable 7-10 season record. Having an up and down season, the guys were "in" practically every game. Leading the team in batting were Roger Bennett with a .500 average and Ben Zobrist with a .475 average. With a little work on fielding and some help on the mound, the gophers could be very strong next year.

The young Clinton Prairie golf team had a rough year finishing out the season with a 1-11-1 record. Competition was strong but despite the losses there were some highlights. Brett Davis and Gary Lahrman set a new school record of 42 on the home course. Trophies were awarded to Jim Rohler for least putts per round-- 14.9 and Brett Davis for individual medalist with a 49 average. Thanks for a fine effort in our relatively new golf program.

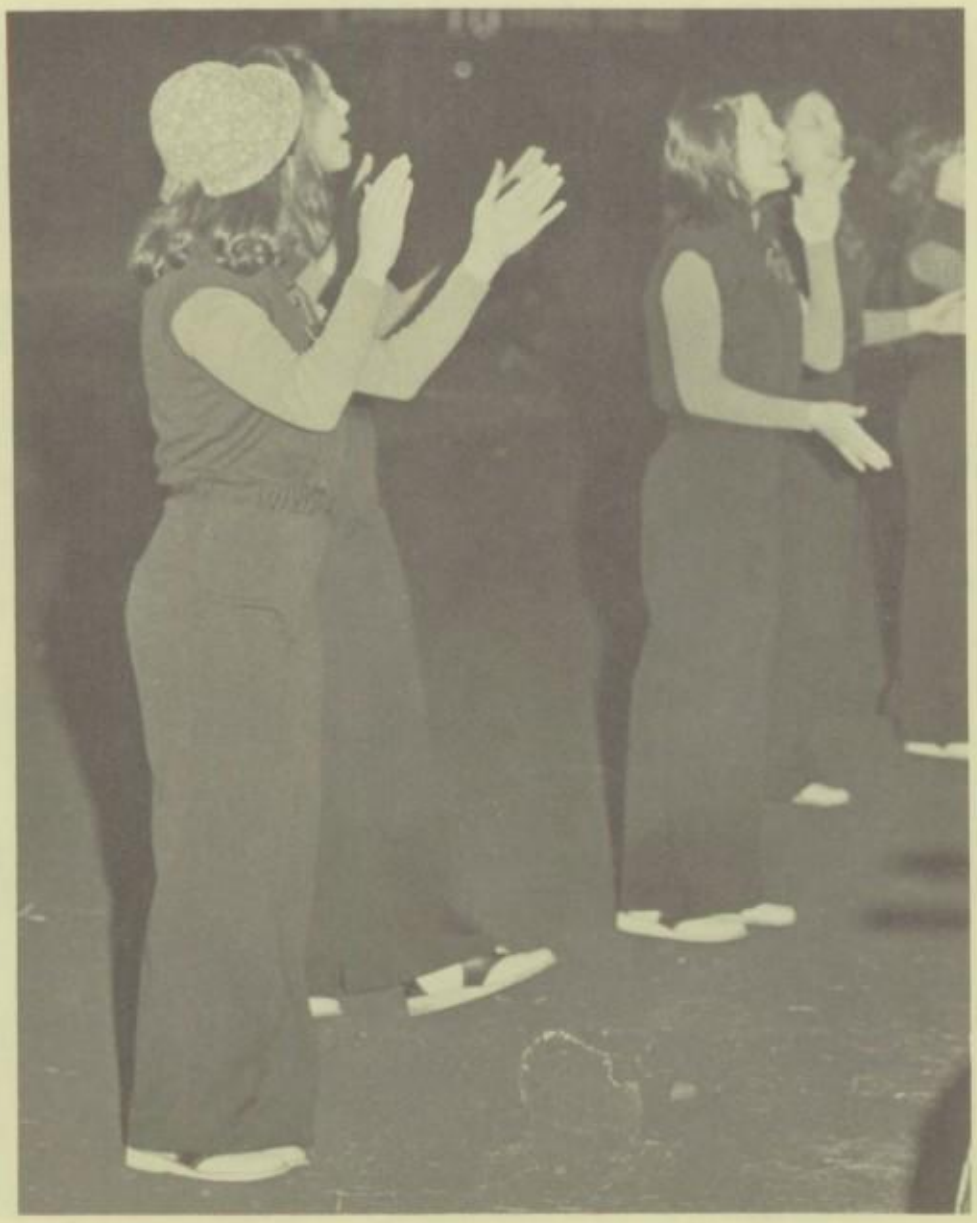
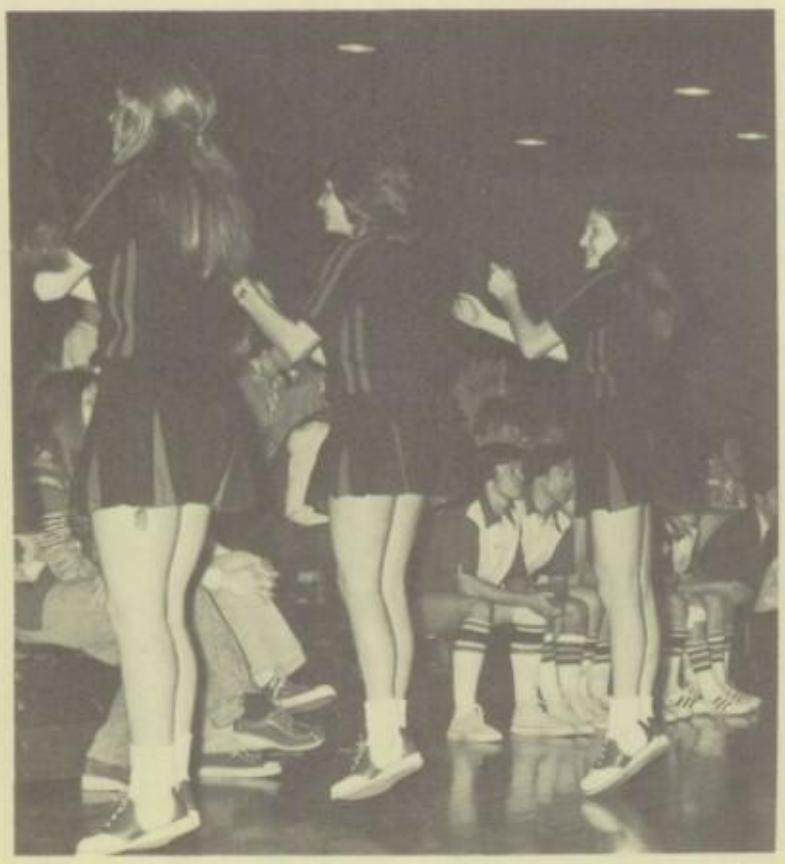
VARSITY

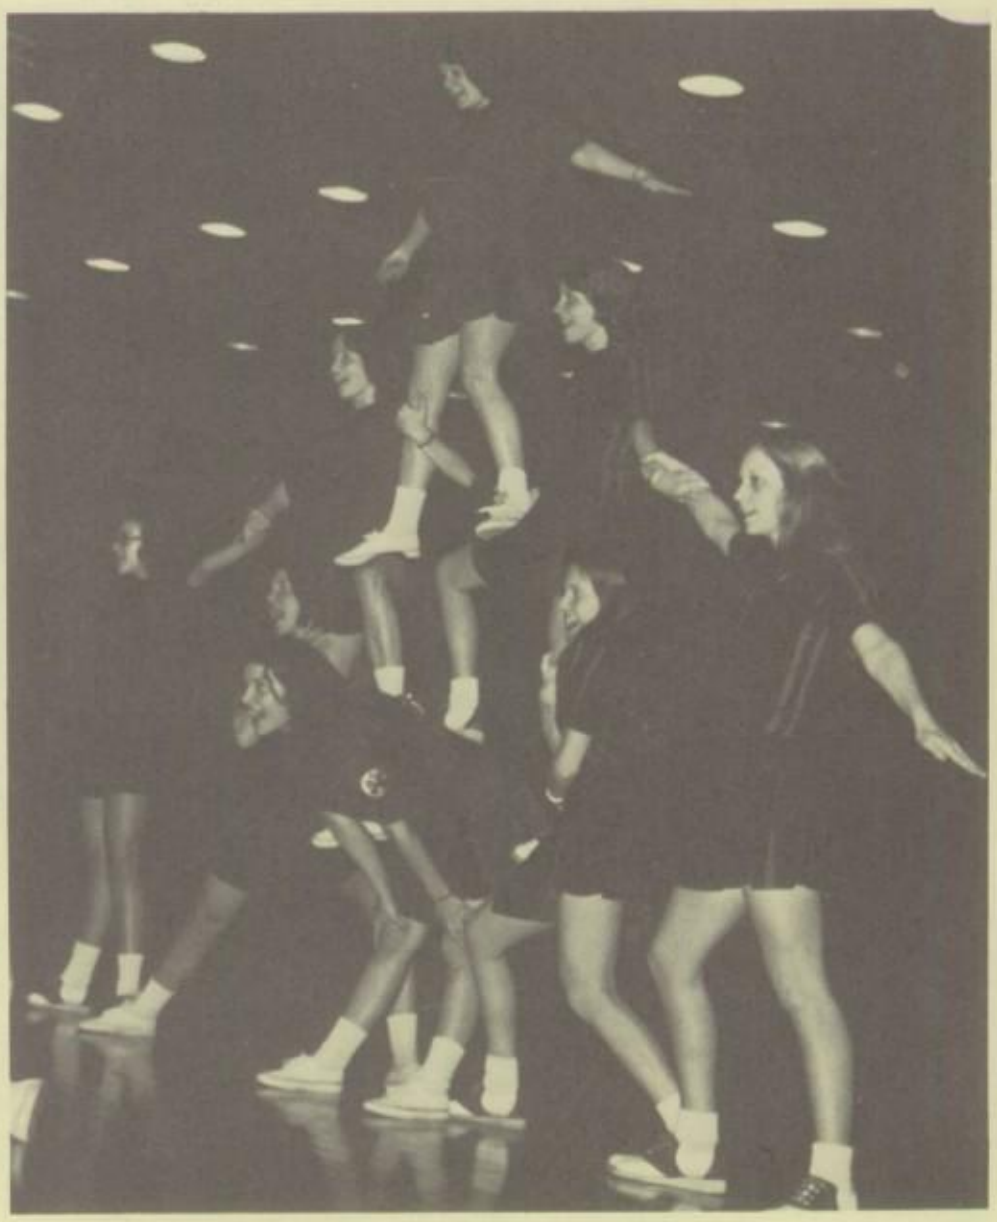


Who else do you know who would stand in the rain watching a football game; allow someone to stand on her shoulders for three mintues; stay up all night trying to plan a pep rally; cry when she realizes she is cheering at her last game? The varsity cheerleaders, of course! And CP is proud to claim them as ours.

RESERVE

Being a reserve cheerleader means a lot of hard work and a lot of screaming and yelling. Popping gum and being late for a game are no-no's--- unless you can get by with it. Having a lot to cheer about for this year were Ruth Boldt, Penny Cripe, Mindi Clawson and Colleen Dickerson.





FRESHMEN

A talented freshman squad practiced many long hours perfecting their cheers. It's worth it all when you get to watch your team win its own tourney by defeating crosstown rival, Clinton Central. Freshman cheerleaders were Julie Judge, Shelley Walker, Kim Reagan and Penny Neal.

The entire school got excited as Coach Connie Garrett's volleyball squad went into the Frankfort Sectional. Carrying a 14-2 record into the tourney, they were favored to win--and they did picking up the first Prairie Sectional Championship in any sport since 1964. In Regional play the girls avenged one of their regular season losses by defeating Taylor in the afternoon game. They finally bowed to West Lafayette in the evening match only after giving their all. Named to the Rangeline All-Conference Team were Glenda Platt and Sharrie Martin who, along with Debbie Schmidt, were also the team's most valuable players. Some special honors-- the squad won their own Invitational Tourney for the second year in a row and were co-champs with Taylor of the Rangeline Conference with a 7-1 record. Ms. Garrett can look forward to next year as well because her Reserve Team's record was 11-2. Thanks girls for an exciting season.

GIRLS' BASKETBALL

Connie Garrett's Girls Basketball team, playing a tough schedule, ended the year with a 7-9 record. The first year in the rough Rangeline Conference was rather successful with the team placing fourth in the conference with a 5-3 record. 1976 also marked the first time in girls' basketball that a post-tournament was played. The girls participated in the Sectional but were defeated by Tipton. The top scorer and leading rebounder was Glenda Platt with most of the leadership provided by Jill Davis. The reserve team, showing much promise for the future, posted a 5-6 record.

Once again, Connie Garrett's track team had a successful season, winning five and losing only three. The girls placed third in the Range Line Conference. In Sectional competition, Pam Broady placed fourth in the long jump which qualified her for the Regionals. The 880 relay team of Deana Rains, Kim Wortley, Nancy Finfrock and Julie Frye also placed fourth in the Sectional but that was not enough to send them any farther. The "Hard Worker" award went to Deana Rains; Most Improved--Debbie Hunter; Mental Attitude--Jill Davis; 100 point plaque--Julie Frye; MVP--Julie Frye. We've served as your family banking center for 100 years.

Our great nation was celebrating its 100th birthday, the forests of Clinton County were rapidly giving away to the plow, industry was beginning to appear and the railroads were favoring Frankfort as a rail hub.

It was a bustling, growing time. The need of a bank, dedicated to the financial progress of the area, was needed.

On June 17, 1876, The Farmers Bank was founded.

Each year has recorded a constant growth in the number of customers served by The Farmers Bank. Why? Because Clinton County area families and businesses recognize The Farmers Bank as a banking center dedicated to serving the community area. It was this way in 1876. It is this way in 1976. It will be this way in 2076.

always

Dear Mr. Hoffman,
I am writing to you
because I am very
concerned about
the way my son
Jeff has been
behaving lately.
He has been
very moody
and irritable
and has been
getting into
trouble at
school.
I would like
to meet with
you to discuss
this further.
Please let me
know when
you are
available.
Yours sincerely,
Mrs. Taylor
